Product Type	Machinery – Baking Machinery
Product Identifiers	Brand: Kaak Dough Technology Serial Number: 70176J - 80263101
Product Description	Machine for forming bread dough into shapes for pre-bake.
Country of Origin	The Netherlands
Counterfeit	No
Risk Level	High
Risk Type	Entrapment
Risk Description	<p>The product presents a risk of entrapment as it was identified that a fixed guard could be easily by-passed and opened without the use of tools. It was possible to insert a finger into a slot in the guard and turn the securing latch from behind, allowing access to the moving belt, rollers and in-running nip, and presenting a risk of entanglement.</p> <p>The product does not meet the requirements of the Supply of Machinery (Safety) Regulations 2008.</p>
Corrective Measures	<p>Modification programme.</p> <p>The manufacturer, Kaak Dough Technology B.V, has developed an anti-tampering cover that can only be removed with specific tooling. They have initiated a program of retrofitting this device to the 5 machines already supplied in GB. This anti-tampering cover will be fitted to any new machines before they are placed on the market.</p>
