## Application for a payment

Fill in this form if:

- you suffer from diffuse mesothelioma or another lung disease, or
- you were the partner of a sufferer who has died, or
- you are, or are acting for, a child or a young person or other dependant of a sufferer who has died.

## What is the Pneumoconiosis etc (Workers' Compensation) Act 1979?

People who suffer from some lung diseases caused by specific dusts can get help under the Pneumoconiosis etc (Workers' Compensation) Act 1979. You can make a claim if you cannot get damages from the employer or training provider who caused or contributed to a lung disease.

The lung diseases you can claim for are:

- D1 - pneumoconiosis (including asbestosis, silicosis and kaolinosis etc.)
- D2 - byssinosis
- D3 - diffuse mesothelioma
- D8 - primary carcinoma of the lung with evidence of asbestosis
- D8A - primary carcinoma of the lung after exposure to asbestos under certain circumstances
- D9 - unilateral or bilateral diffuse pleural thickening.

If you have one of the lung diseases, including diffuse mesothelioma and it was caused by your work or whilst on an approved employment training scheme or course, we will consider a payment under the Pneumoconiosis etc (Workers Compensation) Act 1979:

- if you are entitled to Industrial Injuries Disablement Benefit for one of the lung diseases
- if no court action for damages has been brought in relation to the lung disease and no out of court settlement received
- if the employer or training provider who caused or contributed to dust exposure has stopped trading, or
- if the employer or training provider is still trading, there must be no realistic chance of getting damages, or
- the work which caused the lung disease was more than 20 years ago.

Fill in the **About you** section (questions 1 to 11) and the remainder of the form from the **About the lung disease** section (from question 30).

**Note** – You will need to provide evidence that you are suffering from one of the diseases listed. For example, a letter from your nurse, doctor or consultant showing that you have the disease and the date you were diagnosed.

### **What is the 2008 Diffuse Mesothelioma Scheme?**

Under this scheme you can get a single lump-sum payment if you suffer from diffuse mesothelioma. This does not have to have been caused by work or training. But if you got this disease because of the work or training you used to do for an employer or training provider, you may be entitled to a payment under the Pneumoconiosis etc (Workers Compensation) Act 1979.

If you have diffuse mesothelioma and you did not get it from work or training, complete the **About you** section (questions 1 to 11), the **About the disease** section (questions 30 to 38) and the remainder of the form from the **Compensation and court action** section (from question 75). We will consider the payment under the 2008 Diffuse Mesothelioma Scheme.

**Note** – You will need to provide a letter from your medical practitioner, for example, a nurse from the lung cancer nurses network, or your doctor or consultant. The letter must show the date you were diagnosed with the disease.

### **When must I apply?**

You must apply as soon as you know that you have a lung disease.

- If you are claiming under the 1979 Act, you must claim within 12 months of the date you became entitled to Industrial Injuries Disablement Benefit.
- If you are claiming under the 2008 Scheme, you must claim within 12 months of the date you were diagnosed.

If you delay, we might not be able to pay you.

**Note** –If you go on to get any other compensation, we may recover the money we paid you under these schemes from the compensation.

## **Partner and dependants**

If a person has:

- suffered from one of the lung diseases, and
- has died, and
- has not claimed a lump-sum payment

their dependants or partner can make a claim, but must do so within 12 months of the date of death. Please include a copy of the death certificate with the application.

You can find more information about both schemes on our website [\*\*www.gov.uk\*\*](http://www.gov.uk)

## Sharing information about your health condition

The Department for Work and Pensions (DWP) or approved health care professionals that work for DWP, might need information about your health condition and how it affects you.

They might ask for relevant information from your doctor, or any other relevant professional you tell them about.

### Do you give your consent for your doctor or other relevant professionals to give DWP more information about your health condition?

Yes, information about my health can be shared with DWP or the health care professionals that work for them.

No, information about my health cannot be shared with DWP or the health care professionals that work for them.

### How DWP uses this information

DWP uses this information to:

- process your claim
- make a decision on your claim, or any mandatory reconsideration or appeal you make.

The law allows DWP to get, keep and use this information.

Your doctor (or other relevant professionals you tell DWP about) needs your consent to give information to DWP. If you give your consent, this lets them know that they are legally allowed to share this information with DWP.

DWP can lawfully ask your doctor, hospital consultant or other relevant professionals for information about your health condition and how it affects you.

This is because we are asking for the information to help us carry out our official social security functions.

You do not have to give your consent. If you do not, DWP will make a decision based on the information they have already, as well as any you give them yourself.

### If you change your mind

You can change your mind. You can do this by contacting 0800 121 8379 and saying you want to give or withdraw your consent. If you withdraw your consent, DWP cannot get information from your doctor or others named on your form.

I have read and understood the text above.

## How we pay you

### We normally pay your money into an account

Many banks and building societies will let you collect your money at the post office. We will tell you when we make the payment and how much it will be for.

### Finding out how much we have paid into the account

You can check your payment on account statements. The statements may show your National Insurance (NI) number next to any payment we have made. If you think the payment is wrong, get in touch with the office shown on page 3.

### If we pay you too much

We have the right to take back any money we pay that you are not entitled to. This may be because of the way the system works for payments into an account.

For example, you may give us some information, which means you are entitled to less money. Sometimes we may not be able to change the amount we have already paid you. This means we will have paid you money that you are not entitled to. We will contact you before we take back any money.

### What to do now

- Tell us about **the account you want to use** on the next page. By giving us your account details you:
  - agree that we will pay you into an account, and
  - understand what we have told you above in the section 'If we pay you too much'.
- If you are going to open an account, please tell us your account details as soon as you get them.
- If you do not have an account, please contact us and we will give you more information.

---

## About the account you want to use

- You can use an account in your name, or a joint name.
- You can use someone else's account if:
  - the terms and conditions of their account allow this, and
  - they agree to let you use their account, and
  - you are sure they will use your money in the way you tell them.
- You can use a credit union account. You must tell us the credit union's account details. Your credit union will be able to help you with this.
- If you are an appointee or a legal representative acting on behalf of the claimant, the account should be in your name only.

Please tell us your account details starting at **question 78**.

It is very important you fill in all the boxes correctly, including the building society roll or reference number, if you have one. If you tell us the wrong account details your payment may be delayed or you may lose money.

You can find the account details on your chequebook or bank statements. If you do not know the account details, ask the bank or building society.

### **78** Name of the account holder

Please write the name of the account holder exactly as it is shown on the chequebook or statement.

### **79** Full name of bank or building society

- If you want us to pay your money into a UK account, tell us about this in UK account details.
- If you want us to pay your money into an overseas account, tell us about this in Overseas account details.

### **UK account details**

### **80** Sort code

Tell us all 6 numbers, for example 12-23-56.

### **81** Account number

This must be between 6 and 10 numbers. If your account number has fewer than 10 numbers, please fill in the numbers from the left.

**82 Building society roll or reference number**

If you are using a building society account you may need to tell us a roll or reference number. This is made up of letters and numbers, and may be up to 18 characters long. If you are not sure if the account has a roll or reference number, ask the building society.

**Overseas account details**

**83 International Bank Account Number (IBAN)**

- we may stop or reduce your benefit
- you may be paid too much benefit and have to pay this back
