The registrar of companies makes the following rules in exercise of the powers conferred by the enactments specified in Schedule 1.

PART 1
GENERAL INTRODUCTORY PROVISIONS

Commencement

1. These rules come into force on 21 January 2022.

Revocation

2. The rules in Volume 1 of the Registrar's (Electronic Form) Rules 2012 (as amended) are revoked with immediate effect.

Application of these rules

3.(1) These rules apply to any document delivered to the registrar in electronic form on or after 21 January 2022 unless it is a document to which rule 3. (2) applies.

(2) This rule applies to documents delivered on CD-ROM or DVD-ROM and documents delivered pursuant to an obligation arising before 1 October 2009.

(2A) Part 2 of these rules applies to verification statements delivered pursuant to s1110A of the Act, notifications of changes to an authorised corporate service provider's required information or supervisory authority or authorities pursuant to s1098C and s1098E of the Act, requests to cease to be an ACSP pursuant to s1098E and s1098F of the Act and regulation 18(3) of The Registrar (Identity Verification and Authorised Corporate Service Providers) Regulations 2025 and statements of verification for a Person of Significant Control pursuant to s790LM and s790LN of the Act.

(3) Parts 2-5 of these rules apply to documents delivered in respect of companies, proposed companies, LLPs and proposed LLPs, which are collectively referred to in these rules as "companies (or other bodies)".

(4) Part 6 of these rules applies to extractives reports delivered in respect of undertakings.

(5) Part 7 of these rules applies to discrepancy reports delivered in respect of companies, unregistered companies, LLPs and eligible Scottish partnerships

(6) Part 8 of these rules applies to documents delivered in respect of companies using the insolvency filing service.

(6A) Part 9 of these rules applies to verification statement replacement documents delivered using the correct someone's identity verification details filing service.

(6B) Part 10 of these rules applies to applicable documents delivered in respect of companies and LLPs using the ZIP portal for package accounts service. Unless the context otherwise requires, reference to "companies" in that Part (and in Schedule 12) shall also include LLPs.(7) The rules in Volumes 2, 3, 4 and 5 of the Registrar's Rules 2009 remain in force and cover the following matters-

(a) Requirements applicable to documents delivered to the registrar in paper form (Volume 2);

(b) Requirements applicable to a document or part of a document delivered to the registrar on a CD-ROM or DVD-ROM (Volume 3);

(c) Requirements applicable to instructions for the informal correction of a document delivered to the Registrar (Volume 4); and

(d) Authentication of a certificate sent by the registrar by electronic means (Volume 5).

Definitions and general interpretation

4.(1) Defined terms used in these rules and their meanings are contained in Schedule 2.

(2) Unless the context otherwise requires-

(a) references to sections are to sections of the Companies Act 2006;

(b) a reference to a "rule" or "rules" is a reference to these Registrar's (Requirements Applicable to Electronic Form Documents) Rules 2022 and a reference to a numbered rule, Chapter, Part or Schedule is to the rule, Chapter, Part or Schedule so numbered in these rules;

(c) references to delivering a document include submitting or sending it;

- (d) a reference to an Act includes a reference to any subordinate legislation made under that Act;
- (e) a reference to legislation or a legislative provision is a reference to the legislation or legislative provision as may subsequently be amended
- (f) words in the singular include the plural and vice versa.

(3) Unless the context otherwise requires, information referred to in these rules as being specified, described, accessible or available on or through the website is included in and forms part of these rules and any reference to the website is a reference to the website as may from time to time be amended

Authentication: general provisions

- 5.(1) This rule applies to every document delivered in electronic form.
- (2) The registrar's requirements in respect of digital codes are specified on the website.
- (3) Every digital code provided by way of authentication of a document will be indelibly linked to and retained as part of that document.
- (4) Unless otherwise set out in these rules, a person who authenticates a document must belong to, or be specifically authorised by a person who belongs to, a category or class of person specified by the registrar in Schedule 9 as being permitted to authenticate that document.

Communications

6.(1) Communications from the registrar relating to or arising from the delivery of a document in electronic form shall be sent only in electronic form. This includes the issue of certificates.

PART 2 CHS

Chapter 1 General provisions

Application of Part

- 7.(1) This Part applies to documents delivered to the registrar using CHS and shall be construed accordingly.
- (2) The documents that may be delivered to the registrar are specified in column 1 of the table in Schedule 3. The legislative provision under which each document is delivered is specified in column 2 of that table.
- (3) Any restriction on the circumstances in which a document can be delivered is specified in column 4 of the table in Schedule 3.
- (4) This Part does not apply to accounts packages delivered to the registrar using the ZIP portal for package accounts service (see Part 10).

Using CHS

- 8.(1) This rule applies to every document.
- (2) To deliver a document the presenter must:
 - (a) have access to the internet;
 - (b) have an email account; and
 - (c) be a registered user of CHS (information about the registration process is available on the website).

Application to strike off

- 9.(1) This rule applies to an application to strike off made by a presenter who is not the sole director or sole member of the company (or other body) to which the application relates.
- (2) The presenter must have an email address for each director or member required to authenticate the application to strike off (see rule 13(1)).

Chapter 2 Form of document

Document to be in the form of a template

- 10.(1) This rule applies to every document.
- (2) A document must be in the form of the template supplied for that purpose by the registrar.
- (3) The data input fields that make up each template are specified by the registrar on the website at <http://resources.companieshouse.gov.uk/about/policyDocuments/registrarsRules/volume1.pdf>
- The arrangement and order of data input fields relative to one another within a template and the shape, size, colour and general appearance of a data input field are not matters specified by the registrar for the purposes of these rules.
- (4) Column 3 of the table in Schedule 3 identifies the templates to be used in respect of the legislative provisions listed in column 2 of that table. Where there is more than one template in respect of a legislative provision the title of the template will refer to the circumstances in which it is to be used.
- (5) The presenter must complete every data input field in a template unless the field is a non-mandatory one or there is otherwise no legal requirement or authority to provide the information requested.
- (6) The presenter must check and if necessary, correct any prepopulated information in a data input field.

Accounts

- 11.(1) The accounts of a company (or other body) may only be delivered if, when rendered into human readable form by the registrar, they comply with any statutory provision that requires them (or any part of them) to be a copy of the accounts (or any part of the accounts) prepared for the company (or other body).

Chapter 3 Authentication

Authentication of documents delivered using CHS

12. (1) This rule applies to every document except those listed in 12A. (1) of these rules.
- (2) The presenter must by way of authentication provide the registrar with the name and registered number of the company (or other body) to which the document relates.
- (3) The presenter must provide the registrar with the authentication code of the company (or other body) to which the document relates.

12A.(1) This rule applies to verification statements delivered by ACSPs pursuant to s1110A, notifications of changes to an authorised corporate service provider's required information or supervisory authority or authorities pursuant to s1098C and s1098E of the Act, requests to cease to be an ACSP pursuant to s1098E and s1098F of the Act and regulation 18(3) of The Registrar (Identity Verification and Authorised Corporate Service Providers) Regulations 2025, and statements of verification for a Person of Significant Control pursuant to s790LM and s790LN of the Act.

- (2) The filings referred to in 12A. (1) will be authenticated by attributing to it the CHS Account ID.

Application to strike off

- 13.(1) An application to strike off must be authenticated by each director or member required to make the application under s1003(2)(a)¹ by providing the company authentication code.

¹ As applied to LLPs by Regulation 51 of the LLP Regulations.

Chapter 4
Delivery and receipt

Manner of delivery

14. (1) To send a document the presenter must be on-line and logged into CHS.
(2) The document is sent when the presenter selects the “submit” radio button found at the end of the template.

Receipt

- 15.(1) A document is received when it is given a “pre-queued” or “queued” status by the registrar.

PART 3
SOFTWARE FILING

Chapter 1
General provisions

Application of Part

- 16.(1) This Part applies only to documents delivered to the registrar using software filing and shall be construed accordingly.
(2) The documents that may be delivered to the registrar are specified in column 1 of the table in Schedule 4. The legislative provision under which each document is delivered is specified in column 2 of that table.
(3) Any restriction on the circumstances in which a document can be delivered is specified [in column 4 of the table in Schedule 4].

Using the software filing facility

- 17.(1) This rule applies to every document.
(2) To deliver a document the presenter must-
- (a) register as a presenter with the registrar;
 - (b) have an XML account with the registrar;
 - (c) have access to appropriate software and hardware;
 - (d) have a presenter authentication code; and
 - (e) comply with the registrar’s technical requirements relating to the use of the software filing facility;
- and information about (a), (b), (d) and (e) is specified in more detail on the website.

Incorporation packages

- 18.(1) An incorporation package may only be delivered by a presenter who is an incorporation agent.

Charge documents

- 19.(1) A presenter who delivers a charge document on behalf of an interested person must have a lender authentication code.

Chapter 2
Form of document

Documents to be in the form of a schema

- 20.(1) This rule applies to any document unless it is a document to which rule 20. (2) applies.
(2) This rule applies to-
- (a) accounts (see rule 21.);
 - (b) copy instruments (see rule 23. (3));
 - (c) prescribed formation documents (see rule 24. (1); and
 - (d) CIC articles of association (see rule 24. (1)).

(3) A document or documents must-

- (a) be in the form of the XML data schema for that document or documents (and a memorandum of association must be delivered in prescribed form² as part of the relevant XML data schema);
- (b) incorporate the XML base schema; and
- (c) be contained in a GovTalk envelope.

(4) Column 3 of the table in Schedule 4 identifies the XML data schema to be used in respect of each document or documents listed in column 1. Where there is more than one schema in respect of a document, or more than one document is to be delivered using a single schema, the title of the schema will refer to the circumstances in which it is to be used.

(5) The registrar's technical requirements in respect of the XML base schema and each XML data schema are specified on the website at <http://xmlgw.companieshouse.gov.uk/SchemaStatus>

Form of accounts

21.(1) Accounts delivered using software filing must be in the form of iXBRL accounts, incorporate the XML base schema, and be contained in a GovTalk envelope.

(2) The accounts of a company (or other body) may only be delivered if, when rendered into human readable form by the registrar, they comply with any statutory provision that requires them (or any part of them) to be a copy of the accounts (or any part of them) prepared for the company (or other body).

Resolution for a change of name

22.(1) A copy of a resolution for a change of name may only be delivered if the resolution passed is in the form shown in Schedule 7. The copy resolution must be accompanied by a notice of change of name.

(2) The copy resolution and notice must be delivered in the form of a single XML data schema.

Qualifying charge documents, copy instruments and certification

23.(1) A qualifying charge document may only be delivered if it is accompanied by a certified copy instrument.

(2) The statement of certification and the qualifying charge document must be delivered in the form of a single XML data schema.

(3) The copy instrument must be in the form of a compatible PDF file uploaded and electronically linked to and contained in the same GovTalk envelope as the qualifying charge document to which it relates.

CIC incorporation package

24.(1) A CIC incorporation package may only be delivered if the prescribed formation documents and CIC articles of association are in the form of a compatible PDF file uploaded and electronically linked to and contained in the same GovTalk envelope as the remainder of the documents comprised in the package.

Chapter 3 Authentication

Authentication of documents delivered by software filing

25.(1) This rule applies to any document except for an incorporation package.

(2) The presenter must by way of authentication provide the registrar with the name and registered of the company (or other body) to which the document relates in conformity with the XML data schema for that document.

(3) Except where a charge document is delivered by or for an interested person (see rule 27.(4)) the presenter must by way of authentication provide the registrar with the authentication code of the company (or other body) to which the document relates in conformity with the XML data schema for that document.

The incorporation package

² SI 2008/3014

26.(1) In respect of a company incorporation package or CIC incorporation package-

- (a) authentication for the purposes of section 8(2) is by each subscriber to the memorandum of association inserting their name to indicate that they agree to their name being used to electronically authenticate the memorandum of association; and
- (b) the statement of compliance delivered under section 9(1) must be authenticated by each subscriber to the memorandum of association or the incorporation agent inserting their name to indicate that they agree to their name being used to electronically authenticate the statement of compliance;

in accordance with the specified XML data schema for incorporation.

(2) In respect of an incorporation package relating to a proposed LLP, a statement delivered under section 2(1)(c) of the LLP Act must be authenticated by one or more of the persons specified in that sub-section as being entitled to make such a statement inserting their name to indicate that they agree to their name being used to electronically authenticate the statement, in accordance with the relevant XML data schema for incorporation.

Charge documents

27.(1) A charge document to be delivered by or for an interested person must contain a lender authentication code by way of authentication in conformity with the XML data schema for that document.

(2) A certificate is authenticated by means of the name and personal authentication code of the person giving the certificate in conformity with the XML data schema for that document.

Chapter 4 Delivery and receipt

Manner of delivery

28.(1) To send a document or package of documents the presenter or incorporation agent must transmit the following through the XML Gateway as one uninterrupted complete transmission –

- (a) the document(s);
- (b) the XML base schema;
- (c) any linked compatible PDF files; and
- (d) the GovTalk envelope.

Receipt

29.(1) A document is received when it is given a “pre-queued” or “queued” status by the registrar.

PART 3 SET UP A LIMITED COMPANY & REGISTER FOR CORPORATION TAX SERVICE (SALCTax)

Chapter 1 General provisions

Application of Part

30.(1) This Part applies to incorporation packages delivered to the registrar using SALCTax and shall be construed accordingly.

(2) SALCTax may only be used to deliver incorporation packages that meet the eligibility criteria specified in column 3 of the table in Schedule 5.

Using SALCTax

31.(1) To deliver an incorporation package the presenter must:

- (a) have access to the internet;
- (b) have an email account;
- (c) create a Government Gateway user ID for the company; and
- (d) agree to the terms upon which SALCTax is provided;

in accordance with such requirements as are specified on the website.

Chapter 2

Form of document

Document to be in the form of a template

32.(1) Except for a memorandum of association (which must be in prescribed form) or a permitted attachment (see rule 33.) an incorporation package must be in the form of a template supplied for that purpose by the registrar.

(2) The data input fields that make up each template are specified by the registrar on the website at:

<http://resources.companieshouse.gov.uk/about/policyDocuments/registrarsRules/volume1.pdf>

The arrangement and order of data input fields relative to one another within a template and the shape, size, colour and general appearance of a data input field are not matters specified by the registrar for the purposes of these rules.

(3) The templates to be used to deliver an incorporation package are identified in column 1 of the table in Schedule 5. The title of each template refers to the circumstances in which it should be used.

(4) The presenter must complete every data input field in a template unless the field is a non-mandatory one or there is otherwise no legal requirement or authority to provide the information requested.

(5) The presenter must check and if necessary, correct any prepopulated information in a data input field.

(6) The memorandum of association is viewed by selecting the “memorandum of association” link in the template.

(7) Model articles can be viewed by selecting the “model articles” link in the template.

Permitted attachments

33.(1) Column 2 of the table in Schedule 5 identifies those documents that must be delivered in the form of a permitted attachment to an incorporation package.

(2) Permitted attachments must be in the form of a compatible PDF file uploaded and electronically linked to a document in the incorporation package by means of the “upload” radio button supplied as part of the template.

Chapter 3

Authentication

Authentication of incorporation package

34.(1) Authentication for the purpose of section 8(2) is by each subscriber to the memorandum of association checking a box to indicate that they agree to electronically authenticate the memorandum of association.

(2) The statement of compliance delivered under section 9(1) must be authenticated by each subscriber to the memorandum of checking a box to indicate that they agree to electronically authenticate the statement of compliance.

Chapter 4

Delivery and receipt

Manner of Delivery

35.(1) Before the presenter can send an incorporation package to the registrar the presenter must be on-line and logged into SALCTax.

(2) The incorporation package is sent by selecting the “proceed to payment” radio button found at the end of the template and then completing the payment process so that payment of the fee is made to the registrar.

(3) A permitted attachment is sent when the document to which it is electronically linked is sent.

Receipt

36.(1) An incorporation package in respect of which the fee is tendered by credit card or debit card is received when it is given a “pre-queued” or “queued” status by the registrar.

PART 4 WEBFILING

Chapter 1 General provisions

Application of Part

37.(1) This Part applies only to documents delivered to the registrar using webfiling and shall be construed accordingly.

(2) The documents that may be delivered to the registrar are specified in column 1 of the table in Schedule 6. The legislative provision(s) under which each of those documents is delivered is or are specified in column 3 of that table.

(3) Any restrictions on the circumstances in which a document can be delivered are specified in column 4 of the table in Schedule 6.

Using web filing

38.(1) To deliver a document the presenter must:

(a) have access to the internet;

(b) have an email account; and

(c) be a registered user of web filing (information about the registration process is available on the website).

(2) A presenter who delivers a charge document on behalf of an interested person must have a lender authentication code and a presenter authentication code.

Chapter 2 Form of document

Document to be in the form of a template

39.(1) Except for a memorandum of association (which must be in prescribed form) or a copy instrument (see rule 43.) a document or documents must be in the form of the template supplied by the registrar.

(2) The data input fields that make up each template are specified by the registrar on the website at:

<http://resources.companieshouse.gov.uk/about/policyDocuments/registrarsRules/volume1.pdf>

The arrangement and order of data input fields relative to one another within a template and the shape, size, colour and general appearance of a data input field are not matters specified by the registrar for the purposes of these rules.

(3) Column 4 of the table in Schedule 6 identifies the template(s) to be used in respect of the legislative provisions listed in column 3 of that table. Where there is more than one template in respect of a legislative provision the title of the template will refer to the circumstances in which it is to be used.

(4) The presenter must complete every data input field in a template unless the field is a non-mandatory one or there is otherwise no legal requirement or authority to provide the information requested.

(5) Except for accounts delivered in the form of a downloadable accounts template (see rule 41(3).) the document template must be completed on-line while the presenter is logged onto web filing.

(6) The presenter must check and if necessary, correct any prepopulated information in a data input field.

The company incorporation package

- 40.(1) This rule applies to a company incorporation package.
- (2) The memorandum of association is viewed by selecting the “memorandum of association” link in the incorporation template.
- (3) Model articles can be viewed by selecting the “model articles” link in the incorporation template.

Accounts

- 41.(1) This rule applies to accounts.
- (2) The accounts of a company (or other body) may only be delivered if, when rendered into human readable form by the registrar, they comply with any statutory provision that requires them (or any part of them) to be a copy of the accounts (or any part of them) prepared for the company (or other body).
- (3) Where accounts are to be delivered in the form of a downloadable accounts template-
- (a) an electronic portable document format (PDF) copy of that template must be downloaded from the website and saved as a file on a computer; and
 - (b) information must be input into the data input fields on the locally saved copy of that template

Resolution for a change of name

- 42.(1) A copy of a resolution for a change of name may only be delivered if-
- (a) the resolution passed by the company is in the form of the resolution set out in the relevant template; and
 - (b) the copy resolution is accompanied by a notice of change of name;

Qualifying charge documents

- 43.(1) A qualifying charge document may only be delivered if it is accompanied by-
- (a) a copy instrument; and
 - (b) the certificate referred to in s859A (3).
- (2) The copy instrument must be in the form of a compatible PDF file uploaded and electronically linked to the qualifying charge document by means of the “upload” radio button supplied as part of the template for that document.
- (3) The certificate must be in the form of the template supplied for that purpose by the registrar.
- (4) A presenter who gives the certificate using a prepopulated statement must check and if necessary, amend the certificate before delivering it.

Replacement documents

- 43A. (1) A replacement document may only be delivered by a limited company.
- (2) A replacement document may only be delivered if:
- (a) accompanied by a replacement covering document (as specified in Schedule 6) which contains a description of the original document to be replaced, and the date of registration of that original document by the registrar; and
 - (b) the original document to be replaced is of a type specified in the eligibility criteria in column 3 of the table in Schedule 6 as being eligible to be accompanied by a replacement covering document.
- (3) A replacement document must comply with the requirements of Part 1 and the requirements of this Part (unless the context otherwise requires).

Chapter 3 Authentication

Authentication of documents delivered using web filing

44. (1) This rule applies to any document except for an incorporation package.

(2) The presenter must by way of authentication provide the registrar with the name and registered number of the company (or other body) to which the document relates, and the presenter instructs the registrar to prepopulate the template accordingly.

(3) Except where a charge document is delivered by or for an interested person (see rule 47. (1)) the presenter must provide the registrar with the authentication code of the company (or other body) to which the document relates.

The company incorporation package

45.(1) Authentication for the purpose of section 8(2) is by each subscriber to the memorandum of association checking a box to indicate that they agree to electronically authenticate the memorandum of association.

(2) The statement of compliance delivered under section 9(1) must be authenticated by each subscriber to the memorandum of association checking a box to indicate that they agree to electronically authenticate the statement of compliance or by the subscribers' agent checking a box to indicate they are electronically authenticating confirmation that the requirements of the Companies Act 2006 as to registration have been complied with.

Authentication of charge documents

46.(1) A presenter who authenticates a charge document as or for an interested person must by way of authentication provide the registrar with a lender authentication code prior to accessing the relevant template.

(2) The certificate referred to in s859A(3) is authenticated by the provision of the personal authentication code and the name of the person giving the certificate.

Chapter 4 Delivery and receipt

Documents other than accounts in the form of a downloadable accounts template

47.(1) This rule applies to all documents except for accounts delivered in the form of a downloadable accounts template (see rule 48.)

(2) To send a document the presenter must be on-line and logged into web filing.
