

EMPLOYMENT TRIBUNALS

Claimant: Fabio Andres Viveros Lopez

Respondent: Quantuma

JUDGMENT

The claim is struck out against all and any respondents

REASONS

1. By a letter dated **10 January 2026**, the Tribunal gave the claimant an opportunity to contact the Tribunal by **31 January 2026** to make representations or to request a hearing, as to why the claim should not be struck out because it has not been actively pursued.
2. The Claimant named Quantuma and Quantuma LLP as prospective respondent in the early conciliation certificate and in Box 2 of claim form. Quantuma LLP appears to have been dissolved. The Claimant was asked to write to the Tribunal about that (and other matters) **by 5 May 2025** by the Tribunal's letter of **28 April 2025**. As mentioned in the 10 January letter, the Claimant had failed to respond to that letter.
3. The Tribunal has received emails from Quantuma Advisory Limited asserting that they believe that the intended respondent might have been Sullivan Bus & Coach Limited in Liquidation.
4. In response to the Tribunal's 10 January 2026 correspondence, the claimant has failed to make representations in writing and has failed to ask for a hearing. More generally, he has not contacted the Tribunal at all since the claim was presented.

5. The claim is not being actively pursued, and it is proportionate to strike out. The claim is therefore struck out.
6. Any application for reconsideration must be made promptly and in accordance with normal time limits
