Product Type	Childcare articles and children's equipment - Baby Highchair
Product Identifiers	Brand: Bababing Product Code: BB186-001 Batch Code: BQ00249 (located on the seat pad care label under the wording starting with BQ) Product sold From: 26th October 2023
Product Description	Baby highchair with four wooden legs.
Country of Origin	China
Counterfeit	No
Risk Level	Not provided
Risk Type	Injuries
Risk Description	The affected highchairs present a risk of injuries as the four screws holding the seat unit to the base module may become loose leading to the seat becoming detached. If the seat detaches whilst in use the child could fall from a height and receive injuries. The product does not meet the requirements of the General Product Safety Regulations 2005.
Corrective Measures	Bababing have launched a modification programme where consumers who own an affected highchair will be sent a free repair kit. Not all chairs in batch BQ00249 are affected. Owners of an UNA highchair are advised to check their batch number and contact the Bababing customer service department on 01535 606871 or info@bababing.com For further details, please access the Bababing notice here: https://bababing.com/pages/product-recall-safety-notice .
