 - (c) the date that CPI for January of the year in which the notice is being given has been published; and
 - (ii) from time to time thereafter, in its discretion.

5.6 Without limitation, the inclusion of a CIB Minimum Standards Performance Related Adjustment Instalment as a Reconciliation Amount in a Billing Statement by the CfD Counterparty shall, for the purposes of paragraph 5.5(C), constitute notice of that CIB Minimum Standards Performance Related Adjustment Instalment.

Effect of termination

- 5.7 If:
- (A) each of the following applies:
 - (i) the Contract for Difference has terminated before the Start Date;
 - (ii) the CfD (Phase 2) Agreement has terminated before the Phase 2 Start Date; and
 - (iii) the CfD (Phase) 1 Agreement has terminated before the Phase 1 Start Date,

no Facility CIB Minimum Standards Performance Related Adjustment shall be payable by the Generator (whether or not a CIB Implementation Statement or a CIB Refusal has been issued in respect of the Generating Station);
 - (B) each of the Phased CfDs has terminated but paragraph 5.7(A) does not apply:

- (i) the Generator shall pay the lesser of:
 - (a) the balance of any Facility CIB Minimum Standards Performance Related Adjustment that has not already been paid to the CfD Counterparty as part of CIB Minimum Standards Performance Related Adjustment Instalments; and
 - (b) the higher of (aa) zero and (bb) the Strike Price multiplied by the aggregate of the Phased Fully Adjusted Metered Output in every Settlement Unit since the Final Start Date less the aggregate of the CIB Minimum Standards Performance Related Adjustment Instalments that have already been paid to the CfD Counterparty;
- (ii) for the purposes of sub-paragraph (i), if the termination of each of the Phased CfDs has occurred on or before the Investment Final Date and at the time of termination of the last Phased CfD:
 - (a) the Generator has not made a CIB Implementation Statement Application in respect of the Generating Station, it shall be deemed that CIB Financial Minimum Standards have not been met in whole or in part; or
 - (b) the Generator has made a CIB Implementation Statement Application in respect of the Generating Station, then, if in response to that application a Facility CIB Implementation Statement or Facility CIB Refusal is issued in respect of the Generating Station, the Facility CIB Minimum Standards Performance Related Adjustment shall be determined accordingly; and
- (iii) the Generator shall pay the amount due under sub-paragraph (i) within thirty (30) Business Days of the later of the Investment Final Date (if applicable), the date that the last Phased CfD terminated, and the date that CPI for January of the calendar year in which the last Phased CfD terminated has been published.

Indexation of amounts

- 5.8 CIB Minimum Standards Performance Related Adjustment Instalments shall, when notified under paragraph 5.5(C), be Indexed to the value of CPI for January in the calendar year in which the notice is given.
- 5.9 If a CIB Minimum Standards Performance Related Adjustment Instalment is payable in a calendar year after the calendar year in which notice of it was given under paragraph 5.5(C), it shall:
 - (A) be Indexed by the CfD Counterparty to the value of CPI for January of the calendar year in which it is so payable and re-notified to the Generator, within thirty (30) Business Days of that value of CPI being published; and

- (B) not be payable to the CfD Counterparty until the later of notice having been issued under sub-paragraph (A) or such later date for payment notified by the CfD Counterparty under paragraph 5.5(C).

5.10 Any balance of the Facility CIB Minimum Standards Performance Related Adjustment payable under paragraph 5.7(B) shall:

- (A) to the extent it comprises CIB Minimum Standards Performance Related Adjustment Instalments already notified and Indexed to the value of CPI in January of the year of termination, not be further Indexed;
- (B) to the extent it is not within sub-paragraph (A), be Indexed to the value of CPI for January of the year of termination.

6. PAYMENT FOR FULFILLING CIB EXTRA COMMITMENTS

Applicability of this paragraph

6.1 This paragraph 6 (*Payment for fulfilling CIB Extra Commitments*) shall only apply if there is one (1) or more Facility CIB Extra Commitments set out in the Facility CIB Requirements Statement.

Liability to pay Facility CIB Extra Commitment Reward Amount

6.2 If, in response to a CIB Implementation Statement Application made no later than the Investment Final Date:

- (A) the Generator has obtained a Facility CIB Implementation Statement confirming that the CIB Minimum Standards (including Non-Financial Minimum Standards) have been met in full in respect of the Generating Station; and
- (B) such Facility CIB Implementation Statement states that any Facility CIB Extra Commitment has been wholly or partly fulfilled,

then subject to and in accordance with this paragraph 6 (*Payment for fulfilling CIB Extra Commitments*) and paragraph 7 (*Nature and conclusiveness of Secretary of State notices*), the CfD Counterparty shall pay the Generator the share of the applicable Facility CIB Extra Commitment Reward Amount that such Facility CIB Implementation Statement states is due for such Facility CIB Extra Commitment (the "**Payable Share of the Facility CIB Extra Commitment Reward Amount**").

6.3 Each Payable Share of the Facility CIB Extra Commitment Reward Amount shall be subject to indexation in accordance with paragraphs 6.10 to 6.12 (inclusive).

6.4 The term "**Aggregate Facility CIB Extra Commitment Reward Amount**" shall mean:

- (A) if there is one (1) Facility CIB Extra Commitment, an amount equal to the Payable Share of the Facility CIB Extra Commitment Reward Amount in respect of that Facility CIB Extra Commitment;

- (B) if there is more than one (1) Facility CIB Extra Commitment, an amount equal to the aggregate of the Payable Share of the Facility CIB Extra Commitment Reward Amounts in respect of each of those Facility CIB Extra Commitments.
- 6.5 To avoid doubt, no amount shall be payable by the CfD Counterparty to the Generator in respect of the Facility CIB Extra Commitment Reward Amount for a Facility CIB Extra Commitment if:
- (A) the CIB Minimum Standards (including Non-Financial Minimum Standards) have not been met in full in respect of the Generating Station;
- (B) the Generator has not made a Facility CIB Implementation Statement Application in respect of the Facility on or before the Investment Final Date; or
- (C) the Generator has not obtained (in response to a Facility CIB Implementation Statement Application made no later than the Investment Final Date) a CIB Implementation Statement confirming that such Facility CIB Extra Commitment has been made in whole or in part.
- 6.6 Save as provided in paragraph 6.9(B), the CfD Counterparty shall meet its liability under paragraph 6.2 by paying the Aggregate Facility CIB Extra Commitment Reward Amount in instalments of such quantum and periodicity (the "**CIB Extra Commitment Reward Amount Instalments**") as the CfD Counterparty shall determine, subject to and in accordance with paragraph 6.7.

Determination and notice of instalment amounts

- 6.7 The following shall apply to the determination, notice and payment of CIB Extra Commitment Reward Amount Instalments:
- (A) without prejudice to paragraph 6.9, the periodicity and quantum of CIB Extra Commitment Reward Amount Instalments shall be determined by the CfD Counterparty:
- (i) to ensure that the Aggregate Facility CIB Extra Commitment Reward Amount that the CfD Counterparty is liable to pay pursuant to paragraphs 6.2 and 6.6:
- (a) has been fully paid to the Generator by the 4th (fourth) anniversary of the Reward Amount Notice Day; and
- (b) incorporates Indexation as set out in paragraphs 6.10 to 6.12 (inclusive) and paragraph 9 (*Indexation of CIB Amounts*); and
- (ii) save as provided in sub-paragraph (i), in its discretion;
- (B) subject to paragraphs 6.7(A) and 6.9, the CfD Counterparty shall determine and notify the Generator of the CIB Extra Commitment Reward Amount Instalments and in respect of which Billing Period each shall be payable:

- (i) within thirty (30) Business Days of the day (the "**Reward Amount Notice Day**") which is the later of:
 - (a) the day it receives the Generator's notice containing the relevant Facility CIB Implementation Statement whether pursuant to paragraph 4.2 or paragraph 4.3;
 - (b) the day on which the CfD Counterparty is satisfied (acting reasonably) that it is aware that an Aggregate Facility CIB Extra Commitment Reward Amount is payable pursuant to paragraphs 6.2 to 6.5 (inclusive); and
 - (c) the day that CPI for January of the year in which the notice is being given has been published; and
- (ii) from time to time thereafter, in its discretion,

and, to avoid doubt, the Reward Amount Notice Day may be before the Start Date.

6.8 Without limitation, the inclusion of a CIB Extra Commitment Reward Amount Instalment as a Reconciliation Amount in a Billing Statement by the CfD Counterparty shall, for the purposes of paragraph 6.7(B), constitute notice of that CIB Extra Commitment Reward Amount Instalment.

Effect of termination

6.9 If each of the Phased CfDs has terminated (whether before or after the Final Start Date) then:

- (A) the CfD Counterparty shall pay the balance of the Aggregate Facility CIB Extra Commitment Reward Amount that has not already been paid to the Generator as part of CIB Extra Commitment Reward Amount Instalments;
- (B) for the purposes of sub-paragraph (A), if the termination of each of the Phased CfDs has occurred before the Investment Final Date and at the time of termination of the last Phased CfD:
 - (i) the Generator has not made a CIB Implementation Statement Application in respect of the Generating Station, it shall be deemed that there is no Aggregate Facility CIB Extra Commitment Reward Amount;
 - (ii) the Generator has made a CIB Implementation Statement Application in respect of the Generating Station, then if in response to that application:
 - (a) a Facility CIB Implementation Statement is issued, the Aggregate Facility CIB Extra Commitment Reward Amount (if any) shall be determined by reference to such Facility CIB Implementation Statement;

- (b) a Facility CIB Implementation Statement is not issued, it shall be deemed that there is no Aggregate Facility CIB Extra Commitment Reward Amount; and
- (C) the CfD Counterparty shall pay the amount due under sub-paragraph (A) in instalments of the same quantum and periodicity as the CIB Minimum Standards Performance Related Adjustment Instalments.

Indexation of amounts

- 6.10 CIB Extra Commitment Reward Amount Instalments shall, when notified under paragraph 6.7(B), be Indexed to the value of CPI for January in the calendar year in which the notice is given.
- 6.11 If a CIB Extra Commitment Reward Amount Instalment is payable in a calendar year after the calendar year in which notice of it was given under paragraph 6.7(B), it shall;
 - (A) be Indexed by the CfD Counterparty to the value of CPI for January of the calendar year in which it is so payable and re-notified to the Generator, within thirty (30) Business Days of that value of CPI being published;
 - (B) not be payable by the CfD Counterparty until the later of notice having been issued under sub-paragraph (A) or such later date notified by the CfD Counterparty under paragraph 6.7(B).
- 6.12 Any balance of the Aggregate Facility CIB Extra Commitment Reward Amount payable under paragraph 6.9(A) shall:
 - (A) to the extent it comprises CIB Extra Commitment Reward Amount Instalments already notified and Indexed to the value of CPI in January of the year in which the Contract for Difference terminated, not be further Indexed;
 - (B) to the extent it is not within sub-paragraph (A) of this paragraph 6.12, be Indexed to the value of CPI for January of the year in which the Contract for Difference terminated.

7. NATURE AND CONCLUSIVENESS OF SECRETARY OF STATE DETERMINATIONS

 - (A) whether the CIB Minimum Standards have been met (or any component of them);
 - (B) whether any Facility CIB Extra Commitment has been fulfilled in whole or in part;
 - (C) the amount of any
 - (i) Facility CIB Minimum Standards Performance Related Adjustment;
 - (ii) Payable Share of the Facility CIB Extra Commitment Reward Amount,

in each case, notwithstanding any unresolved dispute between the Generator and the Secretary of State relating to such determination.

7.2 A notice and/or statement given by the Secretary of State pursuant to Regulation 12F of the Electricity Market Reform (General) Regulations 2014 (including, where applicable, either of Regulations 12F(1) or 12F(3)) shall (without limitation) constitute a determination of the Secretary of State for the purposes of paragraph 7.1.

7.3 Paragraphs 7.1 and 7.2 shall be without prejudice to the dependence of any matter in this Schedule 2 on an application for a Facility CIB Implementation Statement having been made by the Investment Final Date.

8. PAYMENT ADJUSTMENTS AFTER A NEW SECRETARY OF STATE DETERMINATION

8.1 For the purposes of this paragraph 8 (*Payment adjustments after a new Secretary of State determination*) each of the following constitute a new determination:

(A) the Secretary of State revises a CIB Implementation Statement, as referred to in Regulation 12F(3)(a) of the Electricity Market Reform (General) Regulations 2014; or

(B) the Secretary of State withdraws the Facility CIB Implementation Statement as referred to in Regulations 12F(3)(b) of the Electricity Market Reform (General) Regulations 2014.

8.2 If there is a new determination, any Facility CIB Minimum Standards Performance Related Adjustment and/or Aggregate Facility CIB Extra Commitment Reward Amount previously calculated and/or paid under this Schedule 2 shall (subject to and in accordance with paragraph 7.3 and the other provisions of this Schedule 2) be recalculated in light of such new determination and (in each case as applicable):

(A) any overpaid balance shall be refunded by the recipient; and

(B) any under paid amount shall be paid by the party so liable.

9. INDEXATION OF CIB AMOUNTS

9.1 Any amount required to be Indexed for the purposes of any of paragraphs 5.8, 5.9, or 5.10 shall be calculated by the CfD Counterparty in accordance with the following formula:

$$IA = OA \times CPI_t / CPI_{baseMS}$$

9.2 Any amount to be Indexed for the purposes of paragraphs 6.10, 6.11, or 6.12 shall be calculated by the CfD Counterparty in accordance with the following formula:

$$IA = OA \times CPI_t / CPI_{baseEC}$$

9.3 For the purposes of the formulae in paragraphs 9.1 and 9.2:

(A) *IA* is the amount Indexed;

- (B) *OA* is, in each case as applicable:
