Application form for student finance for
new part-time students

2026/27

You can also apply online at www.gov.uk/studentfinance

You can apply in 4 easy steps

Depending on your circumstances you may not need to complete all of the steps.

1

For all students

- Complete sections 1–5.
- You do not need to complete section 5 if you are only applying for a Tuition Fee Loan.
- If you are applying for a Maintenance Loan and/or a Tuition Fee Loan you need to tell us how much you want by completing the loan request section on pages 31 and 32.

If you only want to apply for a Tuition Fee Loan and/or a Maintenance Loan that is not based on household income you can go to Step 4.

If you're a care leaver, we recommend following the steps for students who want student finance based on household income.

You can get the maximum Maintenance Loan without it being based on your household income. But by giving us your household income we can check if you can get other funding and bursaries.

2

For students who want student finance based on household income

- Complete sections 6 and 7.

If you are a single independent student go directly to Step 4.

3

For students who want student finance based on household income

- Complete section 8.
- Depending on your answers in sections 6 and 8, you may need to ask your **parent(s) or partner** to provide details about their income in section 9 so we can work out what your full entitlement to student finance will be.

4

For all students

- Make sure that you have signed the **terms and conditions on pages 37 and 38.**
- If you asked someone to complete section 9, **make sure that they have signed their declaration(s) on page 47.**

n Where you see this you should check the notes for specific **information** to help you complete a question or section.

e Where you see this you need to send us **evidence** to support your application. Use the notes to find out exactly what you need to send.

Before completing this form, you should read the Privacy Notice on page 22 of the accompanying notes.

You may be eligible for a bursary or scholarship. In order for a university or college to determine and pay any bursary or scholarship to which you may be entitled, we will share some of your personal, financial and course details as well as information about your eligibility for student finance with them. For more information about this, read our Privacy Notice.

Please contact the university or college if you require further information about their bursaries and scholarships.

Available student finance

You can apply for a Tuition Fee Loan and/or a Maintenance Loan. If your course starts on or after 1 January 2027 see page 2 of the notes for more information.

Use the supporting notes to prevent any delays to the application

Where you see this icon it means there's additional information in the Supporting Notes which will help you complete your supporting application.

This could be information about how to complete a question or section or an instruction to send specific supporting documents.

Read the notes – if you don't answer a question or section correctly or you don't include the documents we need this will delay the students application.

What details do I need to provide?

You need to provide:

- your personal details, such as your name and address;
- your National Insurance (NI) number (if you have one);
- details of any income from the UK or overseas for tax year 2024-25 that HM Revenue and Customs (HMRC) doesn't know about;
- details of any pension payments you made for the tax year 2024-25; and
- details of any other dependants.

Why do I need to tell you my income from the 2024-25 tax year?

We use figures from this tax year because it is the most up-to-date information that HMRC holds for you.

You must tell us your 2024-25 income details as we cannot accept amounts from any other tax year. This ensures the student(s) you're supporting receives everything they're entitled to.

What happens if my household income has dropped since tax year 2024-25?

If your household income is expected to or has dropped by at least 15% since tax year 2024-25, you can apply for a current year income assessment. This means we'd assess the student for funding based on your estimated income for tax year 2026-27.

You must still complete this form but can provide a more up to date income figure later to ensure the student gets paid the right amount. Read page 20 of the supporting notes for information on how to apply for a current year income assessment.

To find out how we'll use the information you provide go to www.gov.uk/studentfinance to read our Privacy Notice before completing this form.

You have **signed** and **dated the terms and conditions** 

You have included all the evidence we need with this form 

If you don't send all the evidence we need, your application may be delayed and you may end up getting **less** student finance than you are entitled to.

Remember, **you don't need to send your UK passport** as proof of your identity. You only need to **complete your UK passport details in section 1**. If you send your passport it may take several weeks before we can return it to you.

What happens next

It can take at least 6 weeks to assess your application and all the relevant evidence. We'll then send you a letter showing the amount of financial support you'll receive.

You must return your completed form to the address shown below.

**Student Finance England
PO Box 210
Darlington
DL1 9HJ**

Deadline

To make sure you receive your first payment at the start of term, you **must** return this form and all of the evidence we need as soon as possible.

If your application form is returned **more than 9 months from the start of your academic year** it won't be processed, and you may lose your full entitlement to student finance.

Give permission for someone to contact us on your behalf

If you'd like to give permission for a nominated person to talk to us about your account, you can use this form to set up Consent to Share (CTS) for them.

A nominated person could be:

- an individual person such as your parent, foster parent, sibling or partner; or
- a university/college advisor or a third party advisor. A third party advisor could be a social worker, personal advisor or charity advisor (from organisations such as WeBelong or Become).

What your nominated person needs to know

When they call us, they'll need to pass our security authentication using the details you provide on this form. They'll be able to discuss and ask for:

- any information about your account, except for your bank details
- the status of your application and any evidence that we need
- correspondence you've been sent or request forms for you

What do I need to do?

Section A - Complete this if you want to give permission to an individual person.

Section B - Complete this if you want to give permission to a university/college advisor or a third party advisor.

You can set up CTS for both an individual person and an advisor using the same access code.

If any of the details on this form are left out, we can't set up CTS.

Once you complete this form, please return it with your application form.

Is there a way to allow a third party to make updates to my account?

You can give Power of Attorney (PoA) to a third party. A PoA is an official document where you can appoint an attorney allowing them to release or update information relating to your account. A PoA must contain the specific period for which the third party can act as an attorney, and the specific tasks they can perform. You can still complete the sections of the form below and send us a copy of the PoA document. As above, the person holding PoA must pass our security authentication.

I've changed my mind and no longer wish to give permission. What should I do?

You can remove your permission at any time. To do this, call us on **0300 100 0607** or write to us at:

10 Clyde Place

Glasgow

G5 8DF

Once you tell us that you want to remove your permission, your nominated person won't be able to access your account information.
