- 7. Does the SFO have additional printers? if yes how many and is there a contract?**
- 8. What route to market – open tender or framework, if yes which one used?**

**Response**

Please see below our response to your questions.

**Question 1**

The SFO currently has seven multi-functional devices.

**Question 2**

Xerox

**Question 3**

29 May 2025

**Questions 4 & 5**

These questions are not applicable, as the devices are deployed under the centrally managed GPA GovPrint service.

**Question 6**

Yes, the SFO does have a print room. The contract end data is 30 November 2026.

**Question 7**

Yes. The SFO has 36 standalone devices. There is no separate support contract in place for these devices.

**Question 8**

We interpret this question as relating to the standalone devices referenced in Question 7. These were purchased through the SFO's existing IT hardware contracts and supplied with standard device warranty. No additional support and maintenance contracts have been taken out.
