

EMPLOYMENT TRIBUNALS

Claimant: Jamie Homewood

Respondent: National Earth Moving Ltd

JUDGMENT

The claim against the First Respondent is struck out.

REASONS

1. The Tribunal wrote to the claimant on 8th March 2026 warning them that the Tribunal was considering striking out the claim because he had not complied with earlier Orders made by Employment Judge Welch on 12th December 2025 and was not actively pursuing the claim.
2. The letter made plain that if the Claimant did not reply then the claim against the First Respondent would be struck out. The claimant has not replied.
3. I am satisfied that the grounds for striking out the claim under Rule 38 apply, and that it would be in accordance with the overriding objective in Rule 3 to strike out the claim. This is because the Claimant has now failed to comply with the Orders of two Employment Judges to progress the claim and the matter is not being actively pursued.
4. The claim against the First Respondent is therefore struck out.
