

Post-16 pathway qualifications implementation timeline

The image on the next page is a Gantt chart displaying the tasks listed in the 'Post-16 implementation plan', under the heading 'Implementation timeline'.

It shows the timeline running from left to right, starting in May 2026 and ending in 2030.

Tasks are shown in 2 strands of work:

- subjects, content and qualification development – with a separate horizontal line of tasks related to new qualification subjects introduced in 2027, 2028, 2029 and 2030
- provider transition – as a single line of related tasks
