| Risk Description        | <p>The product presents a serious risk of choking as the printed laminate may detach over time, creating small parts. These small parts pose a choking hazard to young children, particularly those under 36 months of age who have a natural tendency to explore objects by placing them in their mouths.</p> <p>The product does not meet the requirements of the Toys (Safety) Regulations 2011.</p>                                                                                                      |
| Corrective Action       | The import has been rejected at the border and destroyed.                                                                                                                                                                                                                                                                                                                                                                                                                                                    |
