

## STCW Basic training for service on ships (subject to IGF code) using Ammonia as a fuel - MCA Approved Training Providers

Training Providers: If you are an approved MCA course provider and not on this list or if your details need updating please email: [stc.courses@mcga.gov.uk](mailto:stc.courses@mcga.gov.uk) . If you hold pilot approval you will need to wait until full approval is granted by an MCA surveyor before being listed below.

Seafarers: If you have undertaken or are about to undertake MCA approved training and it is not listed below, please email [exams@mcga.gov.uk](mailto:exams@mcga.gov.uk) to ensure it is MCA approved.

### UK Approved Training Providers

| Training Provider                                      | Location      | Address                                                         | Contact details                                                                                                                                                                                      |
