

Railways Bill

Environment Act 2021

Heidi Alexander, Secretary of State for Transport makes the following statements under section 20(2)(a) and (3) of the Environment Act 2021.

In my view:

- a) the Railways Bill contains provision which, if enacted, would be environmental law, and
- b) the bill will not have the effect of reducing the level of environmental protection provided for by any existing environmental law.

A handwritten signature in black ink, appearing to read 'Heidi Alexander', is written over a light blue horizontal line.
