Notifier	Local Authority Trading Standards

Disposal instructions:

- Stop using the product immediately.
- If the sand is still in its packaging, place in a heavy-duty plastic bag, double tape it securely, label it clearly and store in a secure location out of the reach of children.
- If the sand has been used, clean up sites where the product was used using wet cloths to avoid generating dust. Wear gloves and a mask. Double bag the sand, gloves, mask and cloths.
- Keep children and other people away from areas where the sand has been used until the area has been cleaned.
- Return the product to your nearest Home Bargains store for a full refund. You do not need to provide the receipt.
- If you are unable to return the product to your nearest Home Bargains store, follow the steps above and contact your local authority / access their website for guidance on safe disposal of asbestos in your area.
- For further information, please contact Home Bargains or visit the [OPSS page on asbestos in consumer products](#).
