Authorized Amendment

Summary / Overview of the amendment to explain/ensure that the reader understands: the rationale for the amendment; the major changes; and, importantly, the full context (including desired outcome) of the amendment.

The Regulated Community is reminded to check this amendment against any applicable AAMC, Waivers or Exemptions to ensure their ongoing validity.

These amendments align the CFAOS (sUAS) scheme nomenclature with the remainder of the Military Regulatory Publications (MRP). It also removes the LEC submission question from the CFAOS (sUAS) Form 2, reflecting the removal of the LEC submission requirement for CFAOS

(sUAS) organisations as set out in RA 1600 (7), footnote 25. Minor formatting improvements have also been incorporated for clarity and consistency.
