

Joolz Aer2 Car Seat Adapter Set

Aspect	Details
Images	 
PSD Number	2605-0189
Product Type	Childcare articles and children's equipment - Baby Car/Booster Seats
Product Identifiers	Brand: Joolz Article Code: 320400 Barcode: 8715688096512 The Joolz Aer2 Car Seat Adapter Set starts with serial number NL311- The affected products were sold between June 2025 and May 2026.
Product Description	Black car seat adaptor to connect an infant car seat to a Joolz Aer2 stroller chassis.
Country of Origin	China
Counterfeit	No
Risk Level	Medium
Risk Type	Injuries
Risk Description	The product presents a risk of injuries because the car seat adapter may fail to properly engage and lock with the spring-loaded pin on the stroller chassis. If this were to happen, the car seat can fully detach from the stroller and fall to the ground. The product does not meet the requirements of the General Product Safety Regulations 2005.
Corrective Measures	The product has been recalled from end users by Joolz. Consumers are asked to stop using the product immediately. For more information on this recall and to register for replacement adapters please visit: Sites-joolz-gb-Site or contact csa@joolz.com.
