Product Description	Backpack containing fold out crib with multiple compartments.
Country of Origin	China
Counterfeit	Unknown
Risk Level	Serious
Risk Type	Injuries and Suffocation
Risk Description	<p>The product presents a serious risk of injuries because it is not structurally stable and has no warnings to indicate that it cannot be used overnight. If a baby was left in the product overnight, their natural movements could cause the product to collapse or fall sideways, resulting in injuries. The crib is also supplied with a cover which would fully enclose and cover the child, potentially leading to suffocation.</p> <p>The product does not meet the requirements of the General Product Safety Regulations 2005.</p>
Corrective Measures	The product has been withdrawn from the market by iCuddleBugs (TANTRIC VEDI UK LTD).
