Dropsides	Loading door	Stairs*	Wheels* and tyres*
Electrical wiring	Main beam 'tell-tale'	Steering wheel	

* excludes class 1 and 2 * class 5 only

- Where a vehicle is left at the testing station for repair and is retested before the end of 10 working days following the day of the initial failure, then only a partial retest is needed for which no fee may be charged.
- Where a vehicle is removed from the testing station for repair and returned for retest within 10 working days following the day of the initial failure, then only a partial retest is needed and a partial retest fee may be charged.
- Only one Partial Re-Examination is permissible per full examination

In any other case full re-examination: Full Fee | Appeal Test Fee: Full Fee

Appeals

If you wish to appeal against a refusal to issue a test certificate for your vehicle:

- search 'Appeal an MOT' on GOV.UK, or scan the QR code on the left
- if your appeal is successful, the fee or, if appropriate, part of it will be returned to you
- do not have your vehicle repaired before your appeal is considered. This is because any change to your vehicle may affect the outcome of your appeal.

Photographic images during MOT test

The MOT Testing Service system holds an image of a vehicle taken during the MOT test. Images produced are controlled by:

The Driver & Vehicle Standards Agency, who is responsible for how the system is used under the UK GDPR and Data Protection Act 2018.
