**DECISION**

**The Tribunal determines a rent of £880 (Eight Hundred and Eighty Pounds) per calendar month with effect from 20<sup>th</sup> May 2026**

---

## **REASONS FOR THE DECISION**

### **Background**

1. On 13<sup>th</sup> January 2026 the Landlord served a notice under Section 13(2) of the Housing Act 1988 which proposed a new rent of £900 per calendar month in place of the existing rent of £850 pcm to take effect from 14<sup>th</sup> February 2026.
2. On 11<sup>th</sup> February 2026, under Section 13(4)(a) of the Housing Act 1988, the Tenant referred the Landlord's notice proposing a new rent to the Tribunal for determination of a market rent.

### **Inspection**

3. The Tribunal did not inspect the property but considered this case on the basis of the papers provided by the parties and having regard to its own knowledge, expertise and online research.

### **Evidence**

4. The Tribunal considered the written submissions provided by the Tenant and the Landlord. From the brief information provided it appears that the subject property is a modern 2-bedroom first floor apartment located in a residential area of similar such properties.
5. The property is let on an Assured Shorthold Tenancy incorporating standard repairing obligations. The Tenant refers to repairs undertaken by and paid for by him in his submission.
6. The Landlord, via his agent, submitted to the Tribunal details of comparable properties and letting information of similar modern 2-bedroom apartments in the locality with prices ranging from £900 to £950 per calendar month. No comparable letting information was submitted by the Tenant.
7. No submissions were made by either party regarding the condition of the property.

### **Determination and Valuation**

8. Having considered the comparable evidence provided by the Landlord and of our own expert knowledge of rental values in the area, we consider that the open market rent for the property in good tenable condition would be in the region of £880 per calendar month.
9. The Tribunal consider that no adjustments should be made to the market rent.

## Decision

12. The Tribunal therefore determined that the rent at which the subject property might reasonably be expected to be let in the open market by a willing Landlord under an assured tenancy was £880 per calendar month with effect from 14<sup>th</sup> February 2026.

## Hardship

9. The Tenant raises hardship in their submissions. Accordingly, the Tribunal directs the new rent of £880 per calendar month to take effect from 20<sup>th</sup> May 2026 this being the date of the Tribunal.
