Dear Ms Neilson,

Port of London Authority proposed Harbour Revision Order Application

Further to our letter dated 23 April 2026, I am writing to confirm that the MMO has concluded its assessment of the responses received to the limited consideration of the Chair's recommended amendments to the Port of London Authority Harbour revision Order. The MMO has now decided that it is minded to make the proposed order with the modifications recommended by the Inquiry Chair.

We would therefore be grateful if you could send us an updated version of the Statutory Instrument incorporating all amendments pursuant to the Inquiry Chair's recommendations as a clean version (together with validation report) and a tracked change version. In addition, please send us the marked-up copy of a Port of London Act 1968, incorporating all the amendments to the 1968 Act. Please kindly send the requested documents by 30 June 2026 in order for us to progress this application and to send the order to the MMO legal team for the first standard legal check.

Please do not hesitate to contact us, should you have any questions.

Yours Sincerely,

Kristina Benson
Harbour Orders Case Manager
