

EMPLOYMENT TRIBUNALS

Claimant: Lateefah Rochester

Respondent: Supernova Resourcing

JUDGMENT

The claim is struck out.

REASONS

1. The Tribunal wrote to the claimant on 26 January 2026 warning them that the Tribunal was considering striking out the claim. This was because it appeared to the Tribunal, applying Rule 38 of the Employment Tribunal Procedure Rules 2024, that:
 - the claim had not been actively pursued and because the identity of the Respondent is unknown.
2. The letter gave the claimant an opportunity by 9 February 2026 to explain why the claim should not be struck out, or to request a hearing at which to do so. The claimant has not replied.
3. I am satisfied that the grounds for striking out the claim under Rule 38 apply, and that it would be in accordance with the overriding objective in Rule 3 to strike out the claim.
4. The claim is therefore struck out.
