Dear [REDACTED]

### **REQUEST FOR INFORMATION: Statistics Gamebird Importations**

Thank you for your request for information of 17th November about Statistics Gamebird Importations. APHA have handled your request under the Freedom of Information Act 2000 (FOIA).

Your information request and our response are set out below.

- 1) Can you provide the number of pheasant chicks and hatching eggs imported into the UK for 2022, 2023, 2024 and 2025? And can these data be broken down into country of origin and whether they come in as chicks or hatching eggs.
- 2) Can you provide the number of partridge chicks and hatching eggs imported into the UK for 2022, 2023, 2024 and 2025? And can these data be broken down into country of origin and whether they come in as chicks or hatching eggs

The information you have requested is attached as Appendix 1 and 2.

Please note that unfortunately, due to the way data is recorded and held on APHA systems, not all of the specifics of this request can be met. The system does not differentiate between pheasant and partridges as such, so for the most part the data is provided under the family Phasianidae.

As such, the data provided is split into two spreadsheets, one for hatching egg imports and one for live animals – the ability to record as adult birds or chicks has been removed from the system, so while the older data can be more specific, for recent imports it is more generalised.

Within the spreadsheets are tables breaking down the data by year of import and country of origin, as requested. A second table has also been included on the hatching eggs spreadsheet, as not all records included a value for the number of eggs within each consignment, and so the information has been provided with the number of imports recorded.

The information that we have provided is a true reflection of the information that we

have access to. We can't guarantee the accuracy of this data, as we can only rely on the information that has been input into external customer facing systems by a third party.

Please note that the data pulled today is a reflection on what the IPAFFS live system has currently. This may change due to traders or inspectors amending notifications. There is a 14 day auto clearance on some notifications which may impact on the data pulled. APHA have limited the data issues within the system however older data may have free text fields or unknown fields due to fields being added at a later date so please be mindful of this.

Information disclosed in response to this FOI request is releasable to the public. In keeping with the spirit and effect of the FOIA and the government's Transparency Agenda, this letter and the information disclosed to you may be placed on [GOV.UK](https://www.gov.uk), together with any related information that will provide a key to its wider context. No information identifying you will be placed on the GOV.UK website.

An Annex is attached which explains the copyright that applies to the information being released to you and contact details should you be unhappy with the service you have received.

If you have any queries about this letter, please contact the Access to Information Team at the email address below or postal address at the top of this letter.
