JUDGMENT
CONFIRMING DISMISSAL OF CLAIM
Employment Tribunal Procedure Rules 2024
Rule 39

An Unless Order was sent to the parties on 16 April 2026 requiring compliance on or before 30 April 2026.

Regional Employment Judge Khalil directs that because the Order was not complied with the claim has been dismissed under Rule 39.

The judge considers that there has been no material compliance with the Unless Order because the documentation and evidence referred to in the Unless Order were not supplied.

The hearing listed on 2 June 2026 and 18-26 January 2027 have been cancelled.
