3. SCOPE

- 3.1. This Instruction applies to all Beneficiaries who were in Transitional Accommodation on or arrived in the UK after 1 March 2025. Claims can be made under this Instruction for Beneficiaries who arrived in the UK under one of the Schemes:
 - a. The [Afghan Resettlement Programme \(ARP\)](#) with effect from 1 March 2025 brings together existing Afghan resettlement schemes into a single pipeline to improve efficiency and value for money outcomes across Afghan Resettlement. These schemes were closed to new entrants in July 2025.

 - b. The [Afghan Citizens Resettlement Scheme \(ACRS\)](#). This is a referral-based resettlement scheme which prioritises vulnerable people and those who assisted UK efforts in Afghanistan.
 - c. Unaccompanied children may be offered resettlement under the ACRS where it is determined that resettlement to the UK is in their best interests, and they have been identified as eligible for the scheme. Unaccompanied children resettled under ACRS will (unless in exceptional circumstances) be treated in the same way as Unaccompanied Asylum-Seeking Children (UASC) for funding purposes, and local authorities who accept unaccompanied children under the Scheme will be reimbursed in accordance with the relevant year's UASC Funding Instruction not this Instruction.
- 3.3. Eligible people will be prioritised and referred for resettlement to the UK through one of the following referral pathways:
 - a. [Under ACRS Pathway 1](#), vulnerable and at-risk individuals who arrived in the UK under the evacuation programme have been the first to be settled under the ACRS.
 - b. [ACRS Pathway 2](#) was established to resettle refugees who have fled Afghanistan and referred for resettlement to the UK by UNHCR. They refer individuals in accordance with their standard resettlement submission criteria, which are based on an assessment of protection needs and vulnerabilities.
 - c. [ACRS Pathway 3](#) was designed to offer a route to resettlement for those at risk who supported the UK and international community effort in Afghanistan, as well as those who are particularly vulnerable, such as women and girls at risk and members of minority groups. In the first stage, the Government considered eligible, at-risk people for resettlement from three groups: British Council contractors, GardaWorld contractors and Chevening alumni. The Foreign,

Commonwealth and Development Office has completed all eligibility decisions for Stage 1 of ACRS Pathway 3 and all those who submitted an expression of interest have been told the outcome.

- d. **ACRS Pathway 1 Stage 2, Separated Families Pathway** is intended to reunite families unintentionally separated during the events of Operation PITTING who were evacuated between the dates 13 August 2021 and 28 August 2021. The referral window for this pathway closed on 30 October 2024. The pathway is intended to restore immediate family units that continue to subsist in the same make up as prior to the evacuation.
 - e. The **Afghan Relocations and Assistance Policy (ARAP)**, which went live on 1 April 2021, offers relocation or other assistance to those who served alongside our armed forces in Afghanistan and provided important support to His Majesty's Government defence and security mission there, predominantly those who were employed directly, or in certain special cases via contractors, and who are assessed to be at serious risk as a result of such work. It is available to people regardless of rank or role, or length of time served, and builds on the long-standing support already available. The policy provides for the principal applicant to bring their close family members (spouse and under 18 children) to the UK and significantly expands the eligibility criteria from the previous scheme. Other family members may be eligible in exceptional circumstances.
 - f. Claims under this Instruction can only be made for Beneficiaries who started receiving support from a Recipient on or after 22 June 2021.
- 3.4. The Recipient has made commitments to support the Schemes, and the Authority has agreed to provide Funding to the Recipient as a contribution to supporting Beneficiaries for up to thirty-six months (36) after first arrival in the Recipient's area as further described in this Instruction.
 - 3.5. Unless specifically stated otherwise, any Funding will be in respect of a Recipient's costs in fulfilment of its statutory duties, and anything otherwise agreed with the Authority.
 - 3.6. The Recipient shall be free to determine how best to utilise the Funding to meet the integration needs of those they are supporting in line with the Statement of Outcomes at Schedule 1, 2, 3 and 4, but for monitoring and evaluation purposes must be able to demonstrate that the Funding has been committed in supporting Beneficiaries, furthering the aims of the Schemes and delivering Value for Money.

- h. pay towards litigation costs incurred by the Recipient.

Duplicate Funding

- 6.4. The Recipient shall not apply for or obtain Duplicate Funding for the same expenditures whilst they are in receipt of Funding under this Instruction. To avoid there being Duplicate Funding the Authority will require the Recipient to repay as an Overpayment.
- 6.5. The Authority may refer the Recipient or any Delivery Partner to the police should it fail to notify the Authority of, or dishonestly and intentionally obtain, Duplicate Funding to deliver the Purpose.

Overpayments

- 6.6. The Authority must be notified at the earliest opportunity if a Recipient expects its Funding requirement to be lower than expected, in order to avoid Overpayments.
- 6.7. In the event that an Overpayment is made, howsoever caused, the Authority must be notified as soon as reasonably practicable. In such instances, the Authority may require immediate reimbursement of the Overpayment or may adjust subsequent payment(s) accordingly.

Cessation of Funding

- 6.8. The Authority's responsibility for providing Funding under this Instruction will cease no later than the thirty-six (36) Month anniversary of the commencement of support to Beneficiaries under the Programme and Funding is not claimable for any support provided beyond this anniversary.

Beneficiary in Transitional Accommodation or Settled Accommodation and will continue unbroken until the end of that thirty-six (36) Month period.

- 6.12. The Authority reserves the right to cease making payments through this Instruction if it has reasonable grounds to believe that the Beneficiary has sought to deceive the Authority, the relevant Recipient, or a partner agency in relation to their circumstances, including their inclusion on the Schemes or their activities whilst so involved.

Other changes that may impact on Funding

- 6.13. The Recipient will share with the Authority information relating to changes of circumstances for settled Beneficiaries, including:

- c. Support for children with identified educational needs,
 - d. Social Care provision.
- 6.19. Before incurring Exceptional Costs, a Recipient shall seek agreement In Writing and in advance from the Authority's Resettlement Services Payments Team or risk having the claim rejected. The Recipient shall use the **"Approval in Principle Request Form"** and submit via MOVEit and not send such requests by email. The Authority will use its reasonable judgement when assessing mitigations for claims where this has not been possible (see [Annex G](#)).
- 6.20. There is no minimum or maximum amount (the exception being for property adaptation costs) that can be claimed.
- 6.21. Exceptional Costs cannot be claimed for support provided to a Beneficiary that would normally be funded through the per capita health or education funding or through mainstream benefit payments.
- 6.22. Recipients should submit evidence of Exceptional Cost expenditure incurred (e.g., copy invoices) along with an Exceptional Costs claim form, before claims will be considered for payment.
- 6.23. Upon approval by the Authority the Recipient should ensure that all Exceptional Cost claims, and the supporting evidence of expenditure should be submitted for processing within 14 Working Days of the agreed incurred expenditure. Failure to do so will lead to payment of the claim being delayed.
- 6.24. The Authority will periodically review the operation of the Exceptional Costs process and budget.

General

- 6.25. Unauthorised spend that exceeds the maximum stated Funding levels at Schedules 1,2, 3 and 4 will not be reimbursed by the Authority.
- 6.26. In all instances, Funding received is to be pooled and managed across all the Beneficiaries supported by the relevant Recipient.
- 6.27. The relevant Recipient will be the single point of contact for invoicing and payments.
- 6.28. Any payments made under this Instruction will also cover VAT or other duties paid by the Recipient to the extent that these are not otherwise recoverable by the Recipient.
- 6.29. Nothing in this Instruction shall be construed as providing or permitting the total relevant benefits to exceed the statutory limit (the 'benefit cap') prevailing at the time of payment.

Termination or Changes to the Funding Instruction

- 6.30. This Funding Instruction may be amended or withdrawn by the Authority at any time with Sixty (60) Days' notice. - 7.2. Applications for payment should be made in accordance with the Schedule of dates for the submission of Payment Claims set out in [Annex B](#), as detailed in this Instruction.
- 7.3. Specific instructions for the completion of ARP Funding [Annex A](#) are included in the Guidance tab of the Excel workbook, which will be supplied by the Authority. - 7.4. Error returns of incorrect or incomplete ARP Funding [Annex A](#) claim forms will be rejected and returned to the Recipient via MOVEIT, this will include any information requested by the Authority, as part of the claims process. The ARP Funding claim form should be amended and resubmitted within thirty (30) Days by the Recipient. Failure to do so may result in delayed payments.
- 7.5. Payments will be made within thirty (30) Days of receipt of a correctly completed claim.
- 7.6. The ARP Funding [Annex A](#) submitted for payment should be received by the Authority no later than three (3) Months after the close of the period to which the application relates, see the Schedule of dates for the submission of Payment Claims [Annex B](#) which provides information about the earliest date that a claim may be submitted; late returns may result in payment being delayed.
- 7.7. The Recipient should note that the format of the ARP Funding [Annex A](#) funding Excel workbook shall not be altered, and all the mandatory fields shall be completed. Failure to complete the spreadsheet accurately will result in the claim being rejected.
- 7.8. At the end of the period for which support is paid, final checks will be carried out by the Authority to ensure that the payments already made accurately reflect the amounts to which the Recipient is entitled. Payments made as a result of applications are to be regarded as payments on account, which will be finalised when the final claim is confirmed by the Authority.
- 7.9. Where a Recipient believes that the level of Funding actually paid by the Authority is less than that to which they are entitled under the terms of this Instruction, the Recipient may make representations to the Authority's Resettlement Services Payments Team. Any discrepancies should be notified to them within one (1) Month of a payment being made. Retrospective payments by the Authority for Beneficiaries not promptly included in the ARP Funding [Annex A](#) claim may be agreed only where exceptional circumstances can be shown.
- 7.10. Payments will be made by BACS using account details that the Recipient must supply to the Authority on non-editable PDF document, on headed

- 7.12. The Recipient must record expenditure in their accounting records under generally accepted accounting standards in a way that the relevant costs can be simply extracted if required. Throughout the year, the Resettlement Services Payments Team will work with the Recipient to ensure the accuracy of claims, thereby reducing the need for audits at year-end.

8. MONITORING & EVALUATION

- 8.1. The Recipient should itself manage and administer the quality and level of delivery relating to the support it provides to Beneficiaries.
- 8.2. The Recipient shall monitor the delivery and success of the Schemes throughout the Funding Period to ensure that the Purpose is being met, that this Instruction is being adhered to and that the activity to support Beneficiaries is in pursuit of the early integration outcomes set out in the Statement of Outcomes Schedules 1 - 4 of these Funding Instructions.

Data will include information on key services that have been delivered and outcomes that have been achieved. This data shall be submitted in a timely manner to the Authority via a designated secure Government online platform, the process for which will be outlined to Recipients in separate guidance, to ensure compliance with Data Protection Legislation.
- 8.8. In addition to providing individual-level data on Beneficiaries, local authorities may be invited to participate in other evaluation-related activities. These may include a local authority survey, relating to local delivery models, successes and challenges, and qualitative case studies, involving interviews with local authority staff, delivery partners, and Beneficiaries. Participation in other evaluation activities is strongly encouraged as an opportunity to identify and share examples of good practice, to improve the evidence base around what works in supporting resettled Beneficiaries, and to help secure the long-term future of resettlement in UK.

Where a Recipient fails to comply with any of the conditions set out in this Instruction, or if any of the events mentioned in Clause 9.2 occur, then the Authority may reduce, suspend, or withhold payments, or require all or any part of the relevant payments to be repaid by the Recipient. SCHEDULE 1: SUPPORT IN TRANSITIONAL ACCOMMODATION

1. PART 1 – YEAR 1 STATEMENT OF OUTCOMES

- 1.1. Transitional accommodation is temporary, short-term, and time-limited accommodation provided for up to nine (9) months by the UK Government. It has been designed to provide arrivals with a strong foundation for life in the UK, to begin the journey to self-sufficiency and integration.
- 1.2. The nine (9) months of transitional accommodation begins for a household when the first member of that household enters transitional accommodation. Family members who join their household once the nine (9) months of transitional accommodation for a household has begun will only be provided with the remainder of the nine (9) months that began when the first member of their household entered transitional accommodation.
- 1.3. The provision of 9 months transitional accommodation will not apply to: immediate and/or additional family members of ACRS or ARAP Beneficiaries where the principal Beneficiary is already in the UK and **not** in Transitional Accommodation. These Beneficiaries will only be provided with 3 months transitional accommodation – [Afghan Resettlement Programme: policy guidance - GOV.UK](#). Those arriving through the ACRS Separated Families route will **not** be offered transitional accommodation for any period of time. The UK based sponsors of those arriving under this route are advised to approach their local authority if they think they will need additional support with accommodation, or any integration services once their family members arrive. For further information on ACRS Pathway 1 Stage 2 (Separated Families) see Schedule 4 of this Instruction.
- 1.4. From **1 March 2025** all households accommodated in Transitional Accommodation are covered under ARP. This includes households who were accommodated in Transitional Accommodation before **1 March 2025** and were relocated through ACRS or ARAP.
- 1.5. Transitional Accommodation will continue to be offered to new ARP arrivals from **1 March 2025** who arrive through HM Government arranged or approved flights.
- 1.6. HMG will continue to provide a pipeline of settled homes that can be matched to ARP households. Households identified as complex will be prioritised to receive an allocation for a government sourced settled home. Prioritisation does not guarantee a government sourced allocation for a settled home and complex households will still be expected to engage in the 'Find Your Own' Accommodation (FYOA) process, with the support of Recipients. See [ARP - Policy Guidance](#).
- 1.7. Beneficiaries should be encouraged to look for properties in the private rented sector (PRS) while they are in Transitional Accommodation and on the matching list for government allocated housing. Recipients will be

expected to provide support to households to do so, including providing housing advice and support tailored to the household's needs including conducting affordability assessments and completing the process of finding and renting a property.

- 1.8. Recipients should make reasonable efforts to ensure private rented accommodation found by Beneficiaries meets reasonable local authority standards, is safe, sustainable and in a reasonable condition; and that all families looking for their own accommodation have sufficient guidance to enable them to consider the property's relevant standard. There is an expectation for Receiving local authorities to engage with other councils on the Find Your Own process, including help to ensure accommodation is suitable and sustainable.
- 1.9. Transitional and Receiving local authorities need to work together to ensure suitable support is provided. Local authorities should endeavour to follow the principles in the Find Your Own Accommodation Working Protocol available on [Welcome - Knowledge Hub](#)
- 1.10. The Recipient may claim a first payment of £5,400 per person for each Beneficiary accommodated by HMG in Transitional Accommodation whether in a hotel, apartment or on the defence estate, from the point of arrival from abroad. Further guidance about claiming the Year 1, payment 1 can be found in **Year 1 – Funding and Claims Process**, paragraphs 1.49 to 1.60 and in [Annex H](#).
- 1.11. A further £3,600 may be claimed for each Beneficiary remaining in Transitional Accommodation, Year 1, payment 2, at month 4, to cover the period from 4-9 months. The Recipient can allocate these payments flexibly, as they see fit and are encouraged to apportion expenditure to cover all integration support elements set out below as appropriate to meet individual case needs.

Initial orientation and ongoing support

- 1.12. The Recipient should ensure that all Beneficiaries are provided with advice and support to access mainstream services, including health, education, benefits and employment services. This support includes:
 - a. Assisting with the understanding and managing of eVisa accounts. When prompted by the Authority, the Recipient must provide the Authority with an email address to enable the Authority to create accounts for each person after arrival. Once the account is created, the Authority will email the account details directly to the Beneficiary email address provided. The Recipient must then provide support to the Beneficiary by explaining what the account is for, how they manage it and how it will assist them in accessing support from other providers.
 - b. Registering with local schools, or if Adults, English language, and literacy classes (see paragraphs 1.33 - 1.39 of this Schedule), or other appropriate training,
 - c. Attending local Jobcentre Plus appointments for assistance with access to employment and benefit assessments (where necessary),

- d. Registering with a local GP, and other healthcare providers in line with identified medical needs,
- e. Providing advice around and referral to appropriate mental health services and to specialist services as appropriate, and
- f. Offer a full safeguarding support service to all Beneficiaries, in line with statutory responsibilities, channelled via the adult and child local authority safeguarding processes.
- g. Throughout the period of resettlement support the Recipient shall ensure interpreting services are available.

Move on Support and Housing Case working

- 1.13. The Recipient should ensure that all Beneficiaries are provided with advice and support to secure settled accommodation at the earliest opportunity. For the purposes of this funding, settled accommodation is defined as accommodation that:
 - a. meets local authority standards, and
 - b. will be available on Beneficiaries' arrival and/or relocation to the local authority area, and
 - c. is affordable and sustainable.
- 1.14. The Recipient shall provide caseworker support to Beneficiaries in any Transitional Accommodation (i.e., hotels, serviced apartments, RSOM and TSFA). This support can be drawn from the Voluntary and Community Sector (VCS), local government or other partners. This caseworker support might include:
 - a. Housing expectation management, including tailored illustrations of property affordability,
 - b. Supporting engagement with the Home Office's Matching Team and general case management (data sharing etc),
 - c. Supporting households with the FYOA process including seeking support from potential receiving local authorities (see below).
 - d. Advice and guidance on tenancy sustainment.
- 1.15. Households should be encouraged to look for properties in the PRS while they are in Transitional Accommodation and on the matching list for government allocated housing.
- 1.16. Any expenditure incurred from the Integration Tariff to support moves into the PRS must meet similar thresholds of due diligence to ensure the effective use of public funds. Support to access the PRS (for example via the FYOA pathway) may include but is not limited to:
 - a. Deposits
 - b. Landlord incentives (such as upfront rent payments)
 - c. Support with rent guarantees

- d. Initial rent, or ongoing rental top ups where required
 - e. Letting fees
 - f. Necessary furnishings
- 1.17. Where the Recipient supports Beneficiaries to find their own accommodation in the PRS (via FYOA pathway) they should ensure that point 1.13 of this Schedule is met.

Extensions to Transitional Accommodation

- 1.18. In limited circumstances a household may be granted a single short extension period to the 9 months provision of Transitional Accommodation by HMG. Any extension will be limited to a maximum of 12 weeks. Further detail around the operation of extensions and those eligible for extensions can be found in the ARP policy guidance⁹.
- 1.19. Where a Beneficiary is granted an extension to their stay in Transitional Accommodation the Authority will make the Year 1, payment 3 of £3,410 per Beneficiary in month 10 in the usual way to the local authority providing Transitional Accommodation support. The statement of outcomes set out at paragraphs 1.20-1.24 will apply once the Beneficiary leaves transitional accommodation and is supported by the Recipient in settled accommodation.

Exceptional stay beyond 9 months in Defence Estate accommodation

- 1.20. Court evictions are required for Defence Estate transitional accommodation, and this process can be protracted. Consequently, while awaiting formal eviction, a Beneficiary may remain in Defence Estate accommodation beyond the 9-month period without a formal extension. In these circumstances the Recipient will be eligible to claim the Year 1, payment 3 of £3,410 in the usual way. Where these circumstances persist beyond the initial 12 months, the Recipient will also be able to claim for the Year 2 payment of £6,550.

Statement of Outcomes after leaving Transitional Accommodation into Settled Accommodation

- 1.21. The Authority will make the Year 1, payment 3 of £3,410 per Beneficiary in month 10. This is intended to fund ongoing integration support when a household has moved into Settled Accommodation, through the local authority in whose area they have settled.
- 1.22. The Recipient will ensure that the Settled Accommodation is furnished appropriately. The Funding should not be used to procure luxury items: This means that Funding received should be used for food storage, cooking, and washing facilities but should not include the provision of other white goods or brown goods, i.e., TVs, DVD players or any other electrical entertainment appliances. This shall not preclude the Recipient

⁹ [Afghan Resettlement Programme: policy guidance - GOV.UK](#)

from providing Beneficiaries with additional luxury, white or brown goods through other sources of funding.

- 1.23. The Recipient shall ensure that the Beneficiary is registered with utility companies and ensure that arrangements for payments are put in place (no pre-pay coin or card meter accounts).¹⁰
- 1.24. The Recipient will provide briefings on the accommodation and health and safety issues for all new arrivals including the provision of an emergency contact point.
- 1.25. Included in the tariff is provision for the Recipient to provide an initial cash allowance for each Beneficiary of £250 – this is to ensure they have sufficient funds to live on while their claim for benefits is processed. **If any Beneficiary is already in receipt of mainstream benefits this initial cash allowance should not be provided.**
- 1.26. The above outcomes will be provided through a combination of office-based appointments, drop-in sessions, outreach surgeries and home visits (virtual or in person).

Requirements for Beneficiaries with special needs/assessed community care needs

- 1.27. In order to facilitate a Recipient's need to make additional arrangements, such as property adaptations (see also [Annex E](#)), for each Beneficiary identified as potentially having special needs/community care needs, the Authority will ensure, as far as possible, that these needs are clearly identified and communicated to the Recipient on a case by case basis. Where a Beneficiary/s are already residing in Transitional Accommodation in the UK, this information will be communicated to the Recipient as soon as practicable to enable necessary arrangements to be made.
- 1.28. Where special needs/community care needs are identified only after arrival, the Recipient will use best endeavours to ensure that care is provided by the appropriate mainstream services as quickly as possible.
- 1.29. Where sensitive issues (including safeguarding issues or incidents of domestic abuse, violence, or criminality) are identified by the Authority, the Authority will notify the Recipient immediately, and no longer than one (1) Day, after receipt of the information.

Provision of Education for U18s

- 1.30. The Recipient has a statutory duty for ensuring educational places are available for children of school age.
- 1.31. To support the Recipient in achieving this obligation, the Authority will pay Funding in respect of any Beneficiary aged between 3 and 18 years to meet the:

¹⁰ It is the Authority's preference that pre-pay coin or card meter accounts should not be used as these are generally more costly. Recipients seeking exceptions should liaise through the Authority's relevant Local Authority Engagement Team Strategic Regional lead

- a. provision of education in state-funded establishments; and
 - b. Recipient's statutory obligations regarding the assessment of Special Educational Needs & Disabilities (SEND), in respect of which the costs of the assessment will also be met on a case-by-case basis.
- 1.32. The Recipient shall be responsible for ensuring that the appropriate level of funding is paid to places of education (including schools, academies, free schools, and Further Education colleges, as appropriate) who accept Beneficiaries from the relevant age groups.
- 1.33. Further additional payments may also be made in order to cover necessary Exceptional Costs of social care, where compelling circumstances exist. These will be assessed and made on a case-by-case basis.

English Language Provision for Adult Beneficiary

- 1.34. The purpose of language training is to ensure that each Adult Beneficiary is able to progress towards the level of proficiency needed to function in their everyday life; to promote integration; and to support those resettling in the UK to progress towards self-sufficiency, including accessing services or joining the workforce.
- 1.35. The Recipient shall undertake an assessment of each Adult Beneficiary's English language capability to determine their training needs; this assessment should take place at the earliest opportunity. The Adult Beneficiary should be made aware of their assessment level. The assessment should determine whether Formal Language Training is appropriate, and where Informal Language Training should be used to complement, or as a foundation for, Formal Language Training. As a minimum, Adult Beneficiaries should be able to access conversational practice to consolidate/complement their Formal Language Training.
- 1.36. If Formal Language Training is deemed appropriate according to their assessment, the Adult Beneficiary should be able to access a minimum of eight (8) hours per week within one (1) Month of arrival or, for those already in the UK, at the start of Recipient support. This should be provided to Adult Beneficiaries until they have reached Entry Level 3 or for at least twelve (12) months after the start of Recipient support (whichever is the sooner).
- 1.37. Different Adult Beneficiaries will face different barriers to participating in Formal Language Training depending on their unique circumstances. There is, therefore, not a singular uniform activity that this Funding should be used for. Instead, the Recipient's use should be informed by the nature of existing local provision and by each Adult Beneficiary's specific circumstances and requirements. Possible activities include but should not be limited to:
- a. Funding payments for mainstream Formal Language Training.
 - b. Commissioning discrete Formal Language Training classes for Adult Beneficiaries or funding advanced levels of ESOL for those that have a higher level of English language proficiency.

- c. Supporting the delivery of the minimum eight (8) hours provision per week (Part 1, paragraph 1.35 of this Schedule 1).
 - d. Language training or preparation for language proficiency tests supporting access to employment, further education, or higher education.
 - e. Commissioning classes at the level which faces the greatest pressure in the area with the agreement that some of the Adult Beneficiaries attend – along with other students – and with the agreement that the additional capacity created allows Adult Beneficiaries at other levels to attend mainstream classes.
 - f. Funding evening and weekend classes.
 - g. Funding online resources and/or provision to complement face-to-face services, enabling Beneficiaries to access a variety of ESOL support that best meets their requirements.
- 1.38. In instances where Adult Beneficiaries arrive outside term time, making immediate access to Formal Language Training difficult, alternative Informal Language Training should instead initially be provided within one (1) month of arrival.
- 1.39. The provision of Informal Language Training is also a suitable alternative in instances where a Beneficiary is assessed as being at pre-entry ESOL level or finds a Formal Language Training environment a barrier to accessibility, which cannot be resolved using the infrastructure funding set out in paragraph 1.36.
- 1.40. In such instances as set out at paragraphs 1.37 and 1.38, the Recipient should encourage the Adult Beneficiary to access Formal Language Training in the future. This is because Informal Language Training cannot provide accredited qualifications which are often necessary for accessing employment, further study, or training.

Key Performance Indicators

- 1.41. The Authority has designed a set of indicators to assess the effectiveness of the Funding in achieving its outcome. These Critical Success Factors are:
- a. The extent to which the Funding has increased local capacity to deliver ESOL. Have there been any delivery barriers which this Funding has not been able to overcome?
 - b. The extent that the Funding has improved access to ESOL. Have there been any accessibility barriers which this funding has not been able to overcome?
 - c. The extent that the Funding helped improve Adult Beneficiaries' integration and progress towards self-sufficiency, including in the workplace.
- 1.42. The Recipient will be expected to report on these success measures through the annual End of Year monitoring process.

Delayed and Cancelled Arrivals

- 1.43. In the event of a delayed arrival, the Recipient can claim void rent costs incurred until arrival. The Recipient should be aware that the tariff has been calculated to pay for a period of void rent costs. To reflect this, fifty-six (56) days void rent costs are already built into the tariff to enable Recipients to secure properties before beneficiaries arrive.
- 1.44. In the event of a cancelled arrival funding will be available for those incurring costs (e.g., for void rent costs and set up) for cancelled arrivals if the property/ies cannot be used for another Beneficiary. The Authority will accept claims for void rent costs for the property/ies concerned. Void rent costs will be considered:
- From the date that the Recipient became liable for the rent or the date that the property was formally offered to the Authority (whichever is later),
 - To the date of the Authority email notifying the Recipient to release the property, or
 - In cases where the Recipient has already advised the Authority that they could no longer hold the property/ies, void rent costs will be considered to the date of that notification.

Year 1 – Funding and Claims Process

- 1.45. The Authority agrees to provide Funding as a contribution to the Recipient's Eligible Expenditure in delivering the outcomes described in Part 1 of Schedule 1 (paragraphs 1.1 to 1.41 inclusive), on a standard per capita per annum rate for each Beneficiary as follows:

YEAR 1 UNIT COSTS ¹¹					
	Adult Benefit Claimant	Other Adults	Children 5-18	Children 3-4	Children U-3
	£	£	£	£	£
Local Authority Costs	£12,410	£12,410	£12,410	£12,410	£12,410
Education	0	0	£5,130	£2,965	0
TOTALS	£12,410	£12,410	£17,540	£15,375	£12,410

- 1.46. Payments will be based on the age of the Beneficiary on arrival in the Recipient's area.

¹¹ Payment values are valid only for the duration of this Funding Instruction; future years are indicative and may, from time to time, be adjusted by the Authority.

- 1.47. Once these maxima have been reached, no further Funding will be paid by the Authority to a Recipient save for any claims made in respect of Exceptional Costs (see Terms and Conditions, Clauses 6.15 and 6.16).
- 1.48. On the Day the Recipient commences the provision of support as set out in this Funding Instruction, the Recipient will be eligible to claim Payment 1. The remainder will be due in two instalments at the beginning of the fourth (4th) Month and tenth (10th) Month following the Beneficiary's arrival with the Recipient.
- 1.49.

Year 1 – Annual Integration Tariff - £12,410 per Eligible Person		
	Value per person	Claim schedule
Payment 1	£5,400	On arrival
Payment 2	£3,600	Month 4 to 9
Payment 3	£3,410	Month 10

Year 1 - Education Tariff £2,965 per child (age 3-4) or £5,130 per child (age 5-18)			
	Value per child	Value per child	Claim schedule
	Age 3-4	Age 5-18	
Payment 1	£1304.60	£2257.20	On arrival
Payment 2	£859.85	£1487.70	Month 4 to 9
Payment 3	£800.55	£1385.10	Month 10

- 1.50. The Recipient shall make a claim on the relevant standard claim form ([Annex A](#)).
- 1.51. The per capita Tariff includes an element for the Recipient to cover up to fifty-six (56) Days (i.e., eight weeks) of void rent costs. The process for claiming additional/exceptional void rent costs is explained in [Annex F](#).
- 1.52. Funding received is to be pooled and managed across all those identified as supported by the relevant Recipient.
- 1.53. Historically, the first Recipient where a Beneficiary arrived was responsible for support provided during months 1 to 3 (inclusive). However, the Authority recognises that during this initial three-month period some Beneficiaries have moved multiple times within Transitional Accommodation provided by the UK Government.

- 1.54. This approach has presented challenges from a payment perspective, particularly when Beneficiaries move across Transitional Accommodation sites or when the administrative effort required by the first Recipient to claim funding is disproportionate to the support provided. To address this, a waiver mechanism has been introduced with effect from 1 March 2025.
- 1.55. Under the revised process:
- 1.56. The first Recipient may formally waive their right to claim Payment 1 by completing a Letter of Consent/waiver.
- 1.57. This waiver allows a second Recipient to submit a claim for Payment 1 provided they have delivered the majority support outlined in the Statement of Outcomes in these Funding Instructions.
- 1.58. The waiver must be submitted before any claim is processed to ensure auditability and prevent duplicate payments.
- 1.59. This change will ensure that Recipients providing most of the support in the first 3 months are appropriately funded, avoid delays in releasing funds, and reduces the administrative burden on recipients who had minimal involvement.
- 1.60. The first Recipient can only waive the first payment to the second Recipient if the Beneficiary/ies are resident in the second Recipient's area within the first payment period.
- 1.61. Updated guidance is provided in [Annex H](#), including a waiver consent letter template.
- 1.62. Additional funding to meet the Recipient's SEND responsibilities for any Beneficiary will be met by the Authority on a case-by-case basis as an Exceptional Cost.
- 1.63. Where compelling circumstances exist, the Recipient may request additional funding for educational purposes in respect of any Beneficiary who is 18 years or younger and who is in full-time education. Such requests will be considered on a case-by-case basis, as an Exceptional Cost, with the final decision on payment, duration, and rate (which may be adjusted from time to time) to be set by the Authority.
- 1.64. Local authorities providing homelessness assistance, which must include providing Temporary Accommodation to Beneficiaries, as part of statutory homelessness duties, will be eligible to use funding provided in the Year 1 tariff to manage immediate additional pressures of homelessness presentations from Transitional Accommodation.
- 1.65. **In submitting a claim under this Funding Instruction, the Recipient is confirming they have to the best of its knowledge and belief, submitted true and accurate information.**

SCHEDULE 2: HOMELESSNESS AND TEMPORARY ACCOMMODATION SUPPORT

1. PART 1 – YEAR 1 HOMELESSNESS SUPPORT AND TEMPORARY ACCOMMODATION

Year 1 – Homeless Assistance

- 1.1. Local authorities providing homelessness assistance, which must include providing Temporary Accommodation to Beneficiaries, as part of statutory homelessness duties, will be eligible to use funding, provided in the Year 1 tariff, to manage any additional pressures of homelessness presentations from Transitional Accommodation.
- 1.2. Funding can be claimed by any local authority which accepts a homelessness duty including Temporary Accommodation, and integration support for a Beneficiary who is on the Afghan Resettlement Programme.
- 1.3. Funding cannot be claimed where the local authority has accepted a homelessness duty but has **not** provided the Beneficiary with Temporary Accommodation and integration support.
- 1.4. The expectation is that any Temporary Accommodation will be within the local authority area. However, it is recognised that the nature of Temporary Accommodation may require the use of Temporary Accommodation located outside of the local authority area in exceptional circumstances. Where this is the case, the Recipient will continue to deliver integration support in full against the Statement of Outcomes.
- 1.5. Funding can also **not** be claimed in relation to Beneficiaries that have previously lived in settled accommodation or PRS accommodation. Recipients should ensure that such accommodation is affordable and sustainable.
- 1.6. No funding will be available to local authorities above the amounts set out in the Tariff and existing Funding Instructions, but local authorities are encouraged to allocate this flexibly and as they see fit to make use of all accommodation options. Local authorities will be expected to deliver on all the elements as set out in the Statement of Outcomes (Schedule 1, Part 1, Year 1, paragraphs 1.1 to 1.41) and are encouraged to proportion expenditure sensibly.

2. PART 2 – YEARS 2 TO 3 HOMELESSNESS SUPPORT AND TEMPORARY ACCOMMODATION

Years 2 – 3 Funding

- 2.1. Year 2 – 3 Funding is intended as a contribution towards a Recipient's costs incurred supporting a Beneficiary's continued participation in the Schemes. This funding should only be claimed by the Recipient if they

- continue to provide integration, homelessness support and Temporary Accommodation to Beneficiaries who they have supported in their area.
- 2.2. Local authorities providing homelessness assistance, which must include providing Temporary Accommodation to Beneficiaries, as part of statutory homelessness duties, will also be eligible to claim payments in years 2 and 3 under this Instruction to help meet the ongoing integration costs.
 - 2.3. Funding cannot be claimed where the local authority has accepted a homelessness duty but has **not** provided the Beneficiary with Temporary Accommodation and integration support.
 - 2.4. Funding cannot be claimed in relation to Beneficiaries that have previously lived in settled accommodation or PRS accommodation. Recipients should ensure that such accommodation is affordable and sustainable.
 - 2.5. The expectation is that any Temporary Accommodation will be within the local authority area. However, it is recognised that the nature of Temporary Accommodation may require the use of Temporary Accommodation located outside of the local authority area in exceptional circumstances. Where this is the case, the Recipient will continue to deliver integration support in full against the Statement of Outcomes.
 - 2.6. These funding arrangements are intended to help manage pressures on homelessness services, reduce prolonged use of temporary accommodation where possible, and support integration outcomes. This funding will be kept under review to ensure it is effective and proportionate.

Statement of Outcomes

- 2.7. To maximise flexibility, it will be for the Recipient to determine the best use of Funding claimed to support the Beneficiary on their journey towards integration and self-sufficiency. The Recipient should maintain a personalised integration support plan for the Beneficiary setting out person-centred integration goals. Goals should include (but not be limited to) ongoing integration into the communities into which a Beneficiary has been resettled; progress towards and into employment (which may include tailored employment support and sector specific formal or informal language training); social care costs for adults and children; or additional educational support. The Recipient should provide support in line with these goals, which should be tailored and particularly consider how to best support the Beneficiary with particular barriers to integration as well as having due regard to protected characteristics.
- 2.8. Integration outcomes are more successful when the Beneficiary has permanent, settled accommodation. **In addition** to providing integration support for those in Temporary Accommodation the Recipient should, as a priority, also:
 - a. support move on into settled accommodation for those Beneficiaries they are supporting under homelessness duties or,
 - b. support households with the FYOA process including seeking support from potential receiving local authorities.

- 2.9. When securing settled accommodation or PRS accommodation (via FYO), the Recipient must ensure:
 - a. it meets local authority standards, and
 - b. be affordable and sustainable.
- 2.10. A Recipient will be eligible to continue claiming tariff funding as set out in Schedule 3 Part 2 for a Beneficiary once settled accommodation or PRS accommodation has been secured following a period of homelessness support.
- 2.11. The Recipient should be able to explain how they are supporting the Beneficiary and furthering the aims of the Schemes by documenting the type(s) of support provided. This should be done with reference to the individual's personal integration plan and goals.

Funding and Claims Process

- 2.12. The Recipient may claim Funding from the first anniversary (i.e., 12 Months) following the commencement of the provision of support under the Schemes, and for subsequent years until the end of the third year.
- 2.13. The key principles of the Funding are that it:
 - a. provides a per Beneficiary annualised Tariff (see paragraph 2.16),
 - b. is not ringfenced,
 - c. supports programme evaluation and reporting, and
 - d. can be pooled across all Beneficiaries that a Recipient is supporting.
- 2.14. A maximum of two (2) annual flat rate payments may be claimed by a Recipient for each Beneficiary supported:

YEARS 2 TO 3 - UNIT COSTS ¹²		
Timeframe	13-24 months	25-36 months
Tariff	£6,550	£5,150

- 2.15. The Authority will only approve one claim per Beneficiary per annum.
- 2.16. No further Funding will be paid by the Authority to a Recipient apart from for any claims made in respect of Exceptional Costs (see Terms and Conditions, Clauses 6.13 and 6.14).
- 2.17. All claims for Year 2 – 3 Funding must be submitted during the second financial quarter (i.e., from 1 July, but in all cases by 30 September) in the same year: late returns may result in payment requests being delayed or refused. Payment will only be made to Recipients for all Beneficiaries who

¹² Payment values are valid only for the duration of this Funding Instruction; future years are indicative and may, from time to time, be adjusted by the Authority.

are resident in the local authority area on the date of 30 September. If the Beneficiary is not resident on that date, then payment will be refused. Once satisfied that a payment request has been correctly submitted, the Authority will endeavour to make payments of Funding due during the third quarter of the same financial year (i.e., from 1 October, but no later than 31 December).

- 2.18. Funding will be by means of a single annual payment to be claimed at the times as detailed in the following table:

YEARS 2-3 FUNDING – PAYMENT PROFILE FOR ARP ARRIVALS		
<u>Arrivals into the support of the Local Authority between</u>	<u>Deadline to claim funding for</u>	
	Year 2	Year 3
01/03/2025 – 31/03/25	30/09/2026	30/09/2027
01/04/25 – 31/03/26	30/09/2027	30/09/2028
01/04/26 – 31/03/27	30/09/2028	30/09/2029

- 2.19. In submitting a claim under this Funding Instruction, the Recipient is confirming they have to the best of its knowledge and belief, submitted true and accurate information.

SCHEDULE 3: RESETTLEMENT SUPPORT IN SETTLED ACCOMMODATION

1. PART 1 – YEAR 1 STATEMENT OF OUTCOMES

This Schedule 3 is applicable to those Recipients (local authorities) who are sourcing and offering settled accommodation to the Authority to be matched to ARP Beneficiaries.

Provision of accommodation – LA sourced accommodation

- 1.1. The Recipient should arrange accommodation for those Beneficiaries they are supporting which:
 - a. meets local authority standards, and
 - b. will be available on their arrival and/or relocation to the local authority area, and
 - c. is affordable and sustainable.
- 1.2. The Recipient should ensure that the accommodation is furnished appropriately. The Funding should not be used to procure luxury items: this means that Funding received should be used for food storage, cooking, and washing facilities but should not include the provision of other large or small appliances i.e., TVs, DVD players or any other electrical entertainment appliances. This shall not preclude the Recipient from providing Beneficiaries with additional luxury, large or small appliances through other sources of funding.
- 1.3. The Recipient shall ensure that the Beneficiary is registered with utility companies and ensure that arrangements for payments are put in place (no pre-pay coin or card meter accounts).¹³.
- 1.4. The Recipient shall provide briefings on the accommodation and health and safety issues for all new arrivals including the provision of an emergency contact point.
- 1.5. Recipients can make use of the PRS for suitable offers of accommodation. Any expenditure incurred from the Tariff for this purpose must meet similar thresholds of due diligence to ensure the effective use of public funds. Flexible use of the funding to enable PRS procurement may include but is not limited to:
 - a. Deposits
 - b. Landlord incentives
 - c. Letting fees

¹³ It is the Authority's preference that pre-pay coin or card meter accounts should not be used as these are generally more costly. Recipients seeking exceptions should liaise through the Authority's relevant Local Authority Engagement Team Strategic Regional lead.

- d. Necessary furnishings
- 1.6. No funding will be available to local authorities above the amounts set out in the Tariff and existing Funding Instructions, but local authorities are encouraged to allocate this flexibly and as they see fit to make use of all accommodation options. Local authorities will be expected to deliver on all the elements as set out in the Statement of Outcomes and are encouraged to proportion expenditure sensibly.

Initial Reception Arrangements

- 1.7. Transport arrangements to accommodation will vary depending on whether a Beneficiary is arriving directly from abroad or whether they are in Transitional Accommodation. Where appropriate the Recipient shall meet and greet all Beneficiaries arriving from the relevant airport and escort them to their accommodation. In other circumstances, transport to their accommodation will be arranged by the Authority. When Beneficiaries arrive at their accommodation, the Recipient shall provide a briefing on how to use the amenities.
- 1.8. The Recipient shall ensure that all Beneficiaries are provided with a welcome pack of groceries on their arrival – the content of this pack should consider the culture and nationality of the Beneficiary(s).
- 1.9. Included in the Tariff is provision for the Recipient to provide an initial cash allowance for each Beneficiary of £250 – this is to ensure they have sufficient funds to live on while their claim for benefits is processed. If any Beneficiary is already in receipt of mainstream benefits this initial cash allowance should not be provided.

Initial orientation and ongoing support

- 1.10. The Recipient should ensure that all Beneficiaries are provided with a dedicated source of advice and support to assist with registering for mainstream benefits and services, and signposting to other advice and information giving agencies. This support includes:
 - a. Assisting with the understanding and managing of eVisa accounts. When prompted by the Authority, the Recipient must provide the Authority with email address to enable accounts to be created for each person after arrival. Once the account is created, the Authority will email the account details directly to the Beneficiary email address provided. The Recipient must then provide support to the Beneficiary by explaining what the account is for, how they manage it and how it will assist them in accessing support from other providers.
 - b. Registering with local schools, or if Adults, English language, and literacy classes (see paragraphs 1.23 - 1.30 of this Schedule 3), or other appropriate training.
 - c. Attending local Job Centre Plus appointments for benefit Assessments (where necessary),
 - d. Registering with a local GP, and other healthcare providers in line with identified medical needs,

- e. Advice around and referral to appropriate mental health services and to specialist services as appropriate,
 - f. Providing assistance with access to employment.
- 1.11. The Recipient shall develop an overarching (or framework) integration support plan and bespoke integration support plans for all Beneficiaries for the first twelve (12) Month period of their support to facilitate their integration and orientation into their new home/area. The plan should consider the varying needs of individual Beneficiaries and how to support these needs and the needs of individuals on the basis of their characteristics.
 - 1.12. Throughout the period of resettlement support the Recipient shall ensure interpreting services are available.
 - 1.13. The above outcomes will be provided through a combination of office-based appointments, drop-in sessions, outreach surgeries and home visits (virtual or in person).
 - 1.14. The Recipient shall collate such casework information as is agreed to enable the Authority to monitor and evaluate the effectiveness of the Schemes' delivery.
 - 1.15. Where Beneficiaries are not accessing key services, including where needs based on protected characteristics may not be met or where Recipients are otherwise concerned about the welfare of Beneficiaries or their dependants, Recipients are asked to contact their regional contact officer.

Requirements for Beneficiaries with special needs/assessed community care needs

- 1.16. In order to facilitate a Recipient's need to make additional arrangements, such as property adaptations (see also [Annex E](#)), for each Beneficiary identified as potentially having special needs/community care needs, the Authority will ensure, as far as possible, that these needs are clearly identified and communicated to the Recipient on a case by case basis. Where a Beneficiary/s are already residing in Transitional Accommodation in the UK, this information will be communicated to the Recipient as soon as practicable to enable necessary arrangements to be made.
- 1.17. Where special needs/community care needs are identified for a Beneficiary only after arrival, the Recipient should use their best endeavours to ensure that care is provided by the appropriate mainstream services as quickly as possible.
- 1.18. Where sensitive issues (including safeguarding issues or incidents of domestic abuse, violence, or criminality) are identified by the Authority, the Authority will notify the Recipient immediately, and no longer than one (1) Day, after receipt of the information.¹⁴

¹⁴ Case of Interest procedure – further information can be obtained from Local Authority Engagement Team Strategic Regional lead.

Provision of Education for U18s

- 1.19. The Recipient has a statutory duty for ensuring educational places are available for children of school age.
- 1.20. To support the Recipient in achieving this obligation, the Authority will pay Funding in respect of any Beneficiary aged between 3 and 18 years to meet the:
 - a. provision of education in state-funded establishments; and
 - b. Recipient's statutory obligations regarding the assessment of Special Educational Needs & Disabilities (SEND), in respect of which the costs of the assessment will also be met on a case-by-case basis.
- 1.21. The Recipient shall be responsible for ensuring that the appropriate level of funding is paid to places of education (including schools, academies, free schools, and Further Education colleges, as appropriate) who accept Beneficiaries from the relevant age groups.
- 1.22. Further additional payments may also be made in order to cover necessary Exceptional Costs of social care, where compelling circumstances exist. These will be assessed and made on a case-by-case basis.

English Language Provision for Adult Beneficiary

- 1.23. The integration tariff includes funding to increase any Adult Beneficiary access to Formal Language Training appropriate to their ability and needs.
- 1.24. The purpose of English language training is to ensure that each Adult Beneficiary is able to progress towards the level of proficiency needed to function in their everyday life; to promote integration; and to support those resettling in the UK to progress towards self-sufficiency, including accessing services or joining the workforce.
- 1.25. The Recipient shall undertake an assessment of each Adult Beneficiary's English language capability to determine their training needs; this assessment should take place at the earliest opportunity. The Adult Beneficiary should be made aware of their assessment level. The assessment should determine whether Formal Language Training is appropriate, and where Informal Language Training should be used to complement, or as a foundation for, Formal Language Training. As a minimum, Adult Beneficiaries should be able to access conversational practice to consolidate/complement their Formal Language Training.
- 1.26. If Formal Language Training is deemed appropriate according to their assessment, the Adult Beneficiary should be able to access a minimum of eight (8) hours per week within one (1) Month of arrival or, for those already in the UK, at the start of Recipient support. This should be provided to Adult Beneficiaries until they have reached Entry Level 3 or for at least twelve (12) months after the start of Recipient support (whichever is the sooner).
- 1.27. Different Adult Beneficiaries will face different barriers to participating in Formal Language Training depending on their unique circumstances.

There is, therefore, not a singular uniform activity that this Funding should be used for. Instead, the Recipient's use should be informed by the nature of existing local provision and by each Adult Beneficiary's specific circumstances and requirements. Possible activities include but should not be limited to:

- a. Funding payments for mainstream Formal Language Training.
 - b. Commissioning discrete Formal Language Training classes for Adult Beneficiaries or funding advanced levels of ESOL for those that have a higher level of English language proficiency.
 - c. Supporting the delivery of the minimum eight (8) hours provision per week (Part 1, paragraph 1.26 of this Schedule 3).
 - d. Language training or preparation for language proficiency tests supporting access to employment, further education, or higher education.
 - e. Commissioning classes at the level which faces the greatest pressure in the area with the agreement that some of the Adult Beneficiaries attend – along with other students – and with the agreement that the additional capacity created allows Adult Beneficiaries at other levels to attend mainstream classes.
 - f. Funding evening and weekend classes.
 - g. Funding online resources and/or provision to complement face-to-face services, enabling Beneficiaries to access a variety of ESOL support that best meets their requirements.
- 1.28. In instances where Adult Beneficiaries arrive outside term time, making immediate access to Formal Language Training difficult, alternative Informal Language Training should instead initially be provided within one (1) month of arrival.
- 1.29. The provision of Informal Language Training is also a suitable alternative in instances where a Beneficiary is assessed as being at pre-entry ESOL level or finds a Formal Language Training environment a barrier to accessibility, which cannot be resolved using the infrastructure funding set out in paragraph 1.27.
- 1.30. In such instances as set out at paragraphs 1.28 and 1.29, the Recipient should encourage the Adult Beneficiary to access Formal Language Training in the future. This is because Informal Language Training cannot provide accredited qualifications which are often necessary for accessing employment, further study, or training.

Key Performance Indicators

- 1.31. The Authority has designed a set of indicators to assess the effectiveness of the Funding in achieving its outcome. These Critical Success Factors are:
- a. The extent to which the Funding has increased local capacity to deliver ESOL. Have there been any delivery barriers which this Funding has not been able to overcome?

- b. The extent that the Funding has improved access to ESOL. Have there been any accessibility barriers which this funding has not been able to overcome?
 - c. The extent that the Funding helped improve Adult Beneficiaries' integration and progress towards self-sufficiency, including in the workplace.
- 1.32. The Recipient will be expected to report on these success measures through the annual End of Year monitoring process.

Delayed and Cancelled Arrivals

- 1.33. In the event of a delayed arrival, the Recipient can claim void rent costs incurred until arrival. The Recipient should be aware that the Tariff has been calculated to pay for a period of void rent costs. To reflect this, fifty-six (56) days void rent costs are already built into the Tariff to enable Recipients to secure properties before Beneficiaries arrive.
- 1.34. In the event of a cancelled arrival funding will be available for those incurring costs (e.g., for void rent costs and set up) for cancelled arrivals if the property/ies cannot be used for another Beneficiary. The Authority will accept claims for void rent costs for the property/ies concerned. Void rent costs will be considered:
- a. From the date that the Recipient became liable for the rent or the date that the property was formally offered to the Authority (whichever is later),
 - b. To the date of the Authority email notifying the Recipient to release the property, or
 - c. In cases where the Recipient has already advised the Authority that they could no longer hold the property/ies, void rent costs will be considered to the date of that notification.

Funding and Claims Process

- 1.35. The Authority agrees to provide Funding as a contribution to the Recipient's Eligible Expenditure in delivering the outcomes described in Part 1 of Schedule 3 (paragraphs 1.1 to 1.32, inclusive), on a standard per capita per annum rate for each Beneficiary as follows:

YEAR 1 UNIT COSTS ¹⁵					
Local Authority Costs	Adult Benefit Claimant	Other Adults	Children 5-18	Children 3-4	Children U-3
Education	£	£	£	£	£

¹⁵ Payment values are valid only for the duration of this Funding Instruction; future years are indicative and may, from time to time, be adjusted by the Authority.

	£12,410	£12,410	£12,410	£12,410	£12,410
	0	0	£5,130	£2,965	0
TOTALS	£12,410	£12,410	£17,540	£15,375	£12,410

- 1.36. Payments will be based on the age of the Beneficiary on arrival in the Recipient's area.
- 1.37. Once these maxima have been reached, no further Funding will be paid by the Authority to a Recipient save for any claims made in respect of Exceptional Costs (see Terms and Conditions, Clauses 6.13 and 6.14).
- 1.38. On the Day the Recipient commences the provision of support as set out in this Funding Instruction, the Recipient will be eligible to claim Payment 1 (transitional or settled accommodation Local Authority). The remainder will be due in two instalments at the beginning of the fourth (4th) month and tenth (10th) Month following the Beneficiary's arrival with the Recipient.
- 1.39.

Year 1 – Annual Integration Tariff - £12,410 per Eligible Person		
	Value per person	Claim schedule
Payment 1	£5,400	On arrival
Payment 2	£3,600	Month 4 to 9
Payment 3	£3,410	Month 10

Year 1 - Education Tariff			
£2,965 per child (age 3-4) or £5,130 per child (age 5-18)			
	Value per child	Value per child	Claim schedule
	Age 3-4	Age 5-18	
Payment 1	£1304.60	£2257.20	On arrival
Payment 2	£859.85	£1487.70	Month 4 to 9
Payment 3	£800.55	£1385.10	Month 10

- 1.40. The Recipient shall make a claim on the relevant standard claim form ([Annex A](#)).

- 1.41. The per capita Tariff includes an element for the Recipient to cover up to fifty-six (56) Days (i.e., eight weeks) of void rent costs. The process for claiming additional/exceptional void rent costs is explained in [Annex F](#).
- 1.42. Funding received is to be pooled and managed across all those identified as supported by the relevant Recipient.
- 1.43. Historically, the first Recipient where a Beneficiary arrived was responsible for support provided during month 1 to 3 (inclusive). However, the Authority recognise that during this initial three-month period some Beneficiaries have moved multiple times within Transitional Accommodation provided by the UK Government.
- 1.44. This approach has presented challenges from a payment perspective, particularly when Beneficiaries move across Transitional Accommodation sites or when the administrative effort required by the first Recipient to claim is disproportionate to the support provided. To address this, a waiver mechanism has been introduced with effect from 1 March 2025.
- 1.45. Under the revised process:
- 1.46. The first Recipient may formally waive their right to claim Payment 1 by completing a Letter of Consent/waiver.
- 1.47. This waiver allows a second Recipient to submit a claim for Payment 1 provided they have delivered the majority support outlined in the Statement of Outcomes in these Funding Instructions.
- 1.48. The waiver must be submitted before any claim is processed to ensure auditability and prevent duplicate payments.
- 1.49. This change will ensure that Recipients providing support in the first 3 months are appropriately funded, avoid delays in releasing funds, and reduces the administrative burden on recipients who had minimal involvement.
- 1.50. Updated guidance is provided in [Annex H](#), including a waiver consent letter.
- 1.51. Additional funding to meet the Recipient's SEND responsibilities for any Beneficiary will be met by the Authority on a case-by-case basis as an Exceptional Cost.
- 1.52. Where compelling circumstances exist, the Recipient may request additional funding for educational purposes in respect of any Beneficiary who is 18 years or younger and who is in full-time education. Such requests will be considered on a case-by-case basis, as an Exceptional Cost, with the final decision on payment, duration, and rate (which may be adjusted from time to time) to be set by the Authority.
- 1.53. A Recipient who accepts a homelessness duty from a Beneficiary/Beneficiaries must provide a Temporary Accommodation offer letter or agreement and a signed statement confirming/detailing the length of the of the Beneficiary/Beneficiaries stay in temporary accommodation must be provided as evidence with the completed **Annex A**.

- 1.54. In submitting a claim under this Funding Instruction, the Recipient is confirming they have to the best of its knowledge and belief, submitted true and accurate information.**

2. PART 2 – YEARS 2 TO 3 STATEMENT OF OUTCOMES

Years 2 – 3 Funding

- 2.1. Years 2 – 3 Funding is intended as a contribution towards a Recipient's costs incurred supporting a Beneficiary's continued participation in the Schemes. This funding should only be claimed by the Recipient if they continue to provide integration support to Beneficiaries who they have settled in their area.
- 2.2. To maximise flexibility, it will be for the Recipient to determine the best use of Funding claimed to support the Beneficiary on their journey towards integration and self-sufficiency. The Recipient should maintain a personalised integration support plan for the Beneficiary setting out person-centred integration goals. Goals should include (but not be limited to) ongoing integration into the communities into which a Beneficiary has been resettled; progress towards and into employment (which may include tailored employment support and sector specific formal or informal language training); social care costs for adults and children; or additional educational support. The Recipient should provide support in line with these goals, which should be tailored and particularly consider how to best support the Beneficiary with particular barriers to integration as well as having due regard to protected characteristics.
- 2.3. The Recipient should be able to explain how they are supporting the Beneficiary and furthering the aims of the Schemes by documenting the type(s) of support provided. This should be done with reference to the individual's personal integration plan and goals.

Funding and Claims Process

- 2.4. The Recipient may claim Funding from the first anniversary (i.e., 12 Months) following the commencement of the provision of support under the Schemes, and for subsequent years until the end of the third year.
- 2.5. The key principles of the Funding are that it:
 - a. provides a per Beneficiary annualised Tariff (see paragraph 2.6),
 - b. is not ringfenced,
 - c. supports programme evaluation and reporting, and
 - d. can be pooled across all Beneficiaries that a Recipient is supporting.
- 2.6. A maximum of two (2) annual flat rate payments may be claimed by a Recipient for each Beneficiary supported:

YEARS 2 TO 3 - UNIT COSTS ¹⁶		
Timeframe	13-24 months	25-36 months

¹⁶ Payment values are valid only for the duration of this Funding Instruction; future years are indicative and may, from time to time, be adjusted by the Authority.

Tariff	£6,550	£5,150
---------------	--------	--------

- 2.7. The Authority will only approve one claim per Beneficiary per annum.
- 2.8. No further Funding will be paid by the Authority to a Recipient apart from for any claims made in respect of Exceptional Costs (see Terms and Conditions, Clauses 6.13 and 6.14).
- 2.9. All claims for Years 2 – 3 Funding must be submitted during the second financial quarter (i.e., from 1 July, but in all cases by 30 September) in the same year: late returns may result in payment requests being delayed or refused. Payment will only be made to Recipients for all Beneficiaries who are resident in the local authority area on the date of 30 September. If the Beneficiary is not resident on that date, then payment will be refused. Once satisfied that a payment request has been correctly submitted, the Authority will endeavour to make payments of Funding due during the third quarter of the same financial year (i.e., from 1 October, but no later than 31 December).
- 2.10. A Recipient who accepts a homelessness duty from a Beneficiary/Beneficiaries must be provide a Temporary Accommodation offer letter or agreement and a signed statement confirming/detailing the length of the of the Beneficiary/Beneficiaries stay in temporary accommodation must be provided as evidence with the completed **Annex A**.
- 2.11. Funding will be by means of a single annual payment to be claimed at the times as detailed in the following table:

YEARS 2-3 FUNDING – PAYMENT PROFILE FOR ARP ARRIVALS		
<u>Arrivals into the support of the Local Authority between</u>	<u>Deadline to claim funding for</u>	
	Year 2	Year 3
01/03/2025 – 31/03/25	30/09/2026	30/09/2027
01/04/25 – 31/03/26	30/09/2027	30/09/2028
01/04/26 – 31/03/27	30/09/2028	30/09/2029

- 2.12. In submitting a claim under this Funding Instruction, the Recipient is confirming they have to the best of its knowledge and belief, submitted true and accurate information.

Casework Support

- 1.8. The Recipient should ensure that Beneficiaries are provided with a dedicated source of advice and support to assist with registering for mainstream benefits and services, and signposting to other advice and information giving agencies. This support includes:
 - a. Registering with local schools, or if Adults, English language and literacy classes (see paragraphs 1.16-1.27), or other appropriate training,

The plan should consider the varying needs of individuals within households and how to support these needs and the needs of individuals on the basis of their protected characteristics.
- 1.10. Throughout the period of resettlement support the Recipient shall ensure interpreting services are available.
- 1.11. The above outcomes will be provided through a combination of office-based appointments, drop-in sessions, outreach surgeries and home visits (virtual or in person).
- 1.12. The Recipient shall collate such casework information as is agreed to enable the Authority to monitor and evaluate the effectiveness of the Schemes' delivery.
- 1.13. Where Beneficiaries are not accessing key services, or where Recipients are otherwise concerned about the welfare of Beneficiaries or their dependants, Recipients are asked to contact their regional contact officer.

Requirements for Beneficiaries with special needs/assessed community care needs:

- 1.14. In order to facilitate a Recipient's need to make additional arrangements, such as property adaptations (see also [Annex E](#)), for each Beneficiary identified as potentially having special needs/community care needs, the Authority will ensure, as far as possible, that these needs are clearly identified and communicated to the Recipient on a case by case basis.
- 1.15. Where sensitive issues (including safeguarding issues or incidents of domestic abuse, violence or criminality) are identified pre-arrival by the Authority, the Authority will notify the Recipient immediately, and no longer than one (1) Day, after receipt of the information.

Provision of Education for U18s:

- 1.16. The Recipient has a statutory duty for ensuring educational places are available for children of school age.
- 1.17. To support the Recipient in achieving this obligation, the Authority will pay Funding in respect of Beneficiaries aged between 3 and 18 years to meet the:
 - a. Provision of education in state-funded establishments; and
 - b. The Recipient's statutory obligations regarding the assessment of Special Educational Needs & Disabilities (SEND), in respect of which the costs of the assessment will also be met on a case-by-case basis.
- 1.18. The Recipient shall be responsible for ensuring that the appropriate level of funding is paid to places of education (incl. schools, academies, free schools and Further Education colleges, as appropriate) who accept Beneficiaries from the relevant age groups.
- 1.19. Further additional payments may also be made in order to cover necessary Exceptional Costs of social care, where compelling circumstances exist. These will be assessed and made on a case-by-case basis.

English Language Provision for Adult Beneficiaries

- 1.20. The integration tariff includes funding to increase any Adult Beneficiary access to Formal Language Training appropriate to their ability and needs.
- 1.21. The purpose of English language training is to ensure that each Adult Beneficiary is able to progress towards the level of proficiency needed to function in their everyday life; to promote integration; and to support those resettling in the UK to progress towards self-sufficiency, including accessing services or joining the workforce.
- 1.22. The Recipient shall undertake an assessment of each Adult Beneficiary's English language capability to determine their training needs; this assessment should take place at the earliest opportunity. The Adult Beneficiary should be made aware of their assessment level. The assessment should determine whether Formal Language Training is appropriate, and where Informal Language Training should be used to complement, or as a foundation for, Formal Language Training. As a minimum, Adult Beneficiaries should be able to access conversational practice to consolidate/complement their Formal Language Training.
- 1.23. If Formal Language Training is deemed appropriate according to their assessment, the Adult Beneficiary should be able to access a minimum of eight (8) hours per week within one (1) Month of arrival or, for those already in the UK, at the start of Recipient support. This should be provided to Adult Beneficiaries until they have reached Entry Level 3 or for at least twelve (12) months after the start of Recipient support (whichever is the sooner).

- 1.24. Different Adult Beneficiaries will face different barriers to participating in Formal Language Training depending on their unique circumstances. There is, therefore, not a singular uniform activity that this Funding should be used for. Instead, the Recipient's use should be informed by the nature of existing local provision and by each Adult Beneficiary's specific circumstances and requirements. Possible activities include but should not be limited to:
 - a. Funding payments for mainstream Formal Language Training.
 - b. Commissioning discrete Formal Language Training classes for Adult Beneficiaries or funding advanced levels of ESOL for those that have a higher level of English language proficiency.
 - c. Supporting the delivery of the minimum eight (8) hours provision per week (Part 1, paragraph 1.23 of this Schedule 4).
 - d. Language training or preparation for language proficiency tests supporting access to employment, further education, or higher education.
 - e. Commissioning classes at the level which faces the greatest pressure in the area with the agreement that some of the Adult Beneficiaries attend – along with other students – and with the agreement that the additional capacity created allows Adult Beneficiaries at other levels to attend mainstream classes.
 - f. Funding evening and weekend classes.
 - g. Funding online resources and/or provision to complement face-to-face services, enabling Beneficiaries to access a variety of ESOL support that best meets their requirements.
- 1.25. In instances where Adult Beneficiaries arrive outside term time, making immediate access to Formal Language Training difficult, alternative Informal Language Training should instead initially be provided within one (1) month of arrival.
- 1.26. The provision of Informal Language Training is also a suitable alternative in instances where a Beneficiary is assessed as being at pre-entry ESOL level or finds a Formal Language Training environment a barrier to accessibility, which cannot be resolved using the infrastructure funding set out in paragraph 1.24.
- 1.27. In such instances as set out at paragraphs 1.25 and 1.26, the Recipient should encourage the Adult Beneficiary to access Formal Language Training in the future. This is because Informal Language Training cannot provide accredited qualifications which are often necessary for accessing employment, further study, or training.

Key Performance Indicators

- 1.28. The Authority has designed a set of indicators to assess the effectiveness of the Funding in achieving its outcome. These Critical Success Factors are:

- a. The extent to which the Funding has increased local capacity to deliver ESOL. Have there been any delivery barriers which this Funding has not been able to overcome?
 - b. The extent that the Funding has improved access to ESOL. Have there been any accessibility barriers which this funding has not been able to overcome?
 - c. The extent that the Funding helped improve Adult Beneficiaries' integration and progress towards self-sufficiency, including in the workplace,
- 1.29. The Recipient will be expected to report on these success measures through the annual End of Year monitoring process.

Funding and Claims Process

- 1.30. The Authority agrees to provide Funding as a contribution to the Recipient's Eligible Expenditure delivering the outcomes described in Part 1 of this Schedule 4 (paragraphs 1.1 to 1.27 inclusive), which has been included in the standard Year 1 integration tariff for each Beneficiary as follows:

YEAR 1 UNIT COSTS					
	Adult Benefit Claimant	Other Adults	Children 5-18	Children 3-4	Children U3
Local Authority Costs	£12,410	£12,410	£12,410	£12,410	£12,410
Education	0	0	£5,130	£2,965	0
TOTALS	£12,410	£12,410	£17,540	£15,375	£12,410

- 1.31. Payments will be made based on the age of the Beneficiary on arrival in the UK.
- 1.32. Once these maxima have been reached, no further funding will be paid by the Authority to a Recipient save for any claims made in respect of Exceptional Costs (see Terms and Conditions, Clauses 6.13 and 6.14). On the Day the Recipient commences the provision of support as set out in this Funding Instruction, the Recipient will be eligible to claim Payment 1. The remainder will be due in two instalments at the beginning of the fourth (4th) and tenth (10th) Months following the Beneficiary's arrival with the Recipient.

Year 1 – Annual Integration Tariff: £12,410 per Eligible Person		
Payment 1	£5,400	On arrival
Payment 2	£3,600	Month 4 to 9
Payment 3	£3,410	Month 10

Year 1 - Education Tariff: £2,965 per child (age 3-4) or £5,130 per child (age 5- 18)			
	Age 3-4	Age 5-18	
Payment 1	£1304.60	£2257.20	On arrival
Payment 2	£859.85	£1487.70	Month 4 to 9
Payment 3	£800.55	£1385.10	Month 10

- 1.33. The Recipient must make a claim on the standard claim form ([Annex A](#)).
- 1.34. The per capita Tariff includes an element for the Recipient to cover up to fifty-six (56) Days (i.e., eight weeks) of void rent costs. The process for claiming additional/exceptional void rent costs is explained in Annex F.
- 1.35. Funding received is to be pooled and managed across all those identified as supported by the relevant Recipient.
- 1.36. Historically, the first Recipient where a Beneficiary arrived was responsible for support provided during month 1 to 3 (inclusive). However, the Authority recognise that during this initial three-month period some Beneficiaries have moved multiple times within Transitional Accommodation provided by the UK Government.
- 1.37. This approach has presented challenges from a payment perspective, particularly when Beneficiaries move across Transitional Accommodation sites or when the administrative effort required by the first Recipient to claim is disproportionate to the support provided. To address this a waiver mechanism has been introduced with effect from 1 March 2025.
- 1.38. Under the revised process:
- 1.39. The first Recipient may formally waive their right to claim Payment 1 by completing a Letter of Consent/waiver.
- 1.40. This waiver allows a second Recipient to submit a claim for Payment 1 provided they have delivered the majority support outlined in the Statement of Outcomes in the ARP Funding Instructions.
- 1.41. The waiver must be submitted before any claim is processed to ensure auditability and prevent duplicate payments.
- 1.42. This change will ensure that Recipients providing support in the first 3 months are appropriately funded, avoid delays in releasing funds, and reduces the administrative burden on recipients who had minimal involvement.
- 1.43. Updated guidance is provided in **Annex H**, including a waiver consent letter.
- 1.44. Additional funding to meet the Recipient's SEND responsibilities for any Beneficiary will be met by the Authority on a case-by-case basis as an Exceptional Cost.
- 1.45. Where compelling circumstances exist, the Recipient may request additional funding for educational purposes in respect of Beneficiaries who are 18 years or younger and who are in full-time education. Such

requests will be considered on a case-by-case basis, as an Exceptional Cost, with the final decision on payment, duration and rate (which may be adjusted from time to time) to be set by the Authority.

- 1.46. **In submitting a claim under this Funding Instruction, the Recipient is confirming they have to the best of its knowledge and belief, submitted true and accurate information.**

2. PART 2 – YEARS 2 TO 3 STATEMENT OF OUTCOMES

Years 2 – 3 Funding

- 2.1. Years 2 – 3 Funding is intended as a contribution towards a Recipient's costs incurred supporting a Beneficiary's continued participation in the Schemes.
- 2.2. This funding should only be claimed by the Recipient if they continue to provide integration support to the Beneficiaries who continue to live in their area.
- 2.3. To maximise flexibility, it will be for the Recipient to determine the best use of Funding claimed to support the Beneficiary on their journey towards integration and self-sufficiency. The Recipient should maintain a personalised integration support plan for the Beneficiary setting out person-centred integration goals. Goals should include (but not be limited to) ongoing integration into the communities into which a Beneficiary has been resettled; progress towards and into employment (which may include tailored employment support and sector specific formal or informal language training); social care costs for adults and children; or additional educational support. The Recipient should provide support in line with these goals, which should be tailored and particularly consider how to best support the Beneficiary with particular barriers to integration as well as having due regard to protected characteristics.
- 2.4. The Recipient should be able to explain how they are supporting Beneficiaries and furthering the aims of the Schemes by documenting the type(s) of support provided. This should be done with reference to the individual's personal integration plan and goals.

Funding and Claims Process

- 2.5. The Recipient may claim Funding from the first anniversary (i.e. 12 Months) following the commencement of the provision of support under the Scheme, and for subsequent years until the end of the third year.
- 2.6. The key principles of the Funding are that it:
 - a. provides a per beneficiary annualised Tariff (see table in paragraph 2.7),
 - b. is not ringfenced,
 - c. supports programme evaluation and reporting, and
 - d. can be pooled across all Beneficiaries that a Recipient is supporting.
- 2.7. A maximum of two (2) annual flat rate payments may be claimed by a Recipient for each Beneficiary supported:

- 2.8. The Authority will only approve one claim per Beneficiary per annum.
- 2.9. No further Funding will be paid by the Authority to a Recipient apart from for any claims made in respect of Exceptional Costs (see Terms and Conditions, Clauses 6.13 and 6.14).
- 2.10. All claims for Year 2-3 Funding must be submitted during the second financial quarter (i.e. from 1 July, but in all cases by 30 September) in the same year: late returns may result in payment requests being delayed or refused. Payment will only be made to Recipients for Beneficiaries who are resident in the local authority area on the date of 30 September. If the Beneficiary is not resident on that date, then payment will be refused. Once satisfied that a payment request has been correctly submitted, the Authority will endeavour to make payments of Funding due during the third quarter of the same financial year (i.e. from 1 October, but no later than 31 December).

ANNEX C – UNHCR RESETTLEMENT SUBMISSION CATEGORIES

1. SEVEN RESETTLEMENT SUBMISSION CATEGORIES

- 1.1. The Authority is responsible for identifying suitable Refugees for resettlement to the UK under the UK Resettlement Scheme in liaison with the United Nations High Commission for Refugees (UNHCR) based upon the following seven resettlement submission categories¹⁸:
 - a. Legal and or Physical Protection Needs
 - b. Survivors of Torture and/or Violence
 - c. Medical Needs
 - d. Women and Girls at Risk
 - e. Family Reunification
 - f. Children and Adolescents at Risk*
 - g. Lack of Foreseeable Alternative Durable Solutions

2. *UNHCR'S CATEGORIES OF CHILDREN AND ADOLESCENTS AT RISK

- 2.1. Unaccompanied children (UAC): are those children who have been separated from both parents and other relatives and are not being cared for by an adult who, by law or custom, is responsible for doing so.
- 2.2. Separated children (SC): are those separated from both parents, or from their previous legal or customary primary care-giver, but not necessarily from other relatives. These may, therefore, include children accompanied by other adult family members.
- 2.3. Children without legal documentation: This would include children without legal documentation to prove their legal identity, and who may be particularly vulnerable and considered for resettlement, including:
 - a. children aged 0-4 years who lack evidence of their birth (no birth certificate, no birth notification passport or family booklet), and where one parent is not present (in particular, where the parent who has the right to pass nationality is not present), or
 - b. children aged 12-17 who lack documentation to prove their age and who face other protection risks (child labour, child marriage, child recruitment, children detained or in conflict with the law) who are at particular risk because they lack proof of their status as children and

¹⁸ As defined in the UNHCR's Resettlement Handbook (<http://www.unhcr.org/46f7c0ee2.pdf>)

are therefore unable to prove their right to age-specific child protections under the law.

- 2.4. **Children with specific medical needs:** a child with serious medical condition is a person below the age of 18 that requires assistance, in terms of treatment or provision of nutritional and non-food items, in the country of asylum.
- 2.5. **Children with disabilities:** a child with disability is a person below the age of 18 who has physical, mental, intellectual, or sensory impairments from birth, or resulting from illness, infection, injury, or trauma. These may hinder full and effective participation in society on an equal basis with others.
- 2.6. **Child carers:** The Child Carer category includes a person below the age of 18, who is not an unaccompanied child and who has assumed responsibility as head of household. This could include, for example, a child who still lives with his/her parents, but has taken on the role of caring for them (and possible siblings) due to the fact that the parents are ill, disabled, etc.
- 2.7. **Children at risk of harmful traditional practices, including child marriage and female genital mutilation:** person below the age of 18 years of age who is at risk of, or is a victim/ survivor of a harmful traditional practice. Every social grouping has specific traditional practices and beliefs, some of which are beneficial to all members while others are harmful to a specific group, such as women. Such harmful traditional practices include for instance, female genital mutilation, early marriage, dowry price, widow inheritance, female force feeding, witch hunting, female infanticide, son preference and its implications for the girl child. Depending on the circumstances, certain forms of male circumcision, scarring or tattooing fall also under this category.
- 2.8. **Child labour:** Includes children engaged in:
 - a. the worst forms of child labour: person below the age of 18 who is engaged in the worst forms of child labour, which include all forms of slavery or practices similar slavery (such as the sale and trafficking of children, debt bondage and serfdom and forced or compulsory labour, including forced or compulsory recruitment of children for use in armed conflict); the use, procuring or offering of a child for prostitution, for the production of pornography or for pornographic performances; the use, procuring or offering of a child for illicit activities, in particular for the production and trafficking of drugs as defined in the relevant international treaties; work which, by its nature or the circumstances in which it is carried out, is likely to harm the health, safety or morals of children; and
 - b. other forms of child labour: person below the age of 18 who is engaged in forms of child labour other than the worst forms, such as work that is likely to be hazardous or to interfere with his/her education, or to be harmful to his/her health or physical, mental, spiritual, moral, or social development. UNICEF defines child labour as work that exceeds a minimum number of hours, depending on the age of a child and on the type of work. Such work is considered

harmful to the child: ages 5-11: at least one hour of economic labour or 28 hours of domestic labour per week; ages 12-14: at least 14 hours of economic labour or 28 hours of domestic labour per week; ages 15-17: at least 43 hours of economic or domestic work per week.

- 2.9. Children associated with armed forces or armed groups: are persons below the age of 18 who are or have been recruited into, or used by, an armed force or armed group in any capacity, including as fighter, cook, porter, messenger, spy, or for sexual purposes or forced marriage. It does not only refer to a child who is taking or has taken a direct part in hostilities.
- 2.10. Children in detention and/or in conflict with the law: person below the age of 18 who is, or has been, charged or convicted for an infringement of the law.
- 2.11. Children at risk of refoulement:¹⁹ person below the age of 18 who is at risk of being returned to the frontiers of territories where his/her life or freedom would be threatened, or where he/she is at risk of persecution for one of more grounds of the 1951 Refugee Convention, including interception, rejection at the frontier or indirect refoulement.
- 2.12. Children at risk of not attending school: person below the age of 18 who is unable or unwilling to attend school or is at heightened risk of interruption or discontinuation of his/her education.
- 2.13. Children survivors of (or at risk of) violence, abuse, or exploitation, including Sexual and Gender-Based Violence (SGBV): person below 18 years of age, who is at risk of physical and/or psychological violence, abuse, neglect, or exploitation. The perpetrator may be any person, group, or institution, including both state and non-state actors.

¹⁹ Refoulement means the expulsion of persons who have the right to be recognised as refugees.

- 1.2. The Recipient may seek approval in principle for property adaptations for Beneficiaries moving into settled accommodation within the first 12 months of them arriving in their area.
- 1.3. The Recipient shall use the "Approval in Principle Request Form" as provided by the Authority.
- 1.4. Property adaptations for any Beneficiary who has mobility issues are divided into two categories:
 - a. minor adaptations which are included within the Tariff rate, and
 - b. major adaptations which may be paid for from the Exceptional Cases fund.

2. MINOR ADAPTATIONS

- 2.1. These are works that do not need any structural changes to the property including:

 - b. stair rails
 - c. lever taps

- 1.2. The Authority understands the supply challenges associated with securing *four (4) or more bedroom properties. To support Recipients in securing properties when they become available, the Authority has agreed to fund an additional twenty-eight (28) Days voids as an Exceptional Cost outside of the Tariff. This will bring the total period of voids covered up to eighty-four (84) Days.

2. CRITERIA
