

EMPLOYMENT TRIBUNALS (SCOTLAND)

Case No: 4102243/2023

Employment Judge D Hoey

Ms A McGovern

Claimant

MITM Greenock Ltd (Dissolved)

Respondent

JUDGMENT

The claim is struck out under the provisions of rule 38(1)(d) of the Employment Tribunal Procedure Rules 2024 on the grounds that it has not been actively pursued.

REASONS

1. On 11 July 2025 the Tribunal wrote to the claimant informing her that the respondent company has been dissolved. The claimant was informed that to continue with the claim she would need to apply to have the company restored to the Register of Companies.
2. Since no further correspondence had been received from the claimant, the Tribunal wrote to her on 24 February 2026 asking her to confirm if she was no longer pursuing the claim. No reply was received from the claimant.
3. On 23 April 2026 the Tribunal gave the claimant an opportunity to give written reasons by 07 May 2026 why the claim should not be struck out as it had not been actively pursued. No reply was received from the claimant and therefore the claimant has failed to give an acceptable reason.
4. The claim is therefore struck out under the provisions of rule 38(1)(d) of the Employment Tribunal Procedure Rules 2024 on the grounds that it has not been actively pursued.
