Disposal instructions:

- Stop using the product immediately.
- If the product is undamaged, place it in a heavy-duty plastic bag, double tape it securely, label it clearly and store in a secure location out of the reach of children.
- If the product is damaged and the sand inside is accessible, gather the sand using wet cloths to avoid generating dust. Wear gloves and a mask. Double bag the sand, gloves, mask and cloths, and double tape it securely.
- Keep children and other people away from areas where the sand has been spilt until the area has been cleaned.
- Follow the steps above and contact your local authority / access their website for guidance on safe disposal of asbestos in your area.
- For further information, please visit the [Government guidance page on asbestos in consumer products](https://www.gov.uk/guidance/product-recalls-and-alerts).
