Our ref: FOI2025/22853  
13 November 2025

Dear [REDACTED]

**REQUEST FOR INFORMATION: Avian Influenza premises, species and numbers**

Thank you for your request for information of 25th October about Avian Influenza premises, species and numbers. APHA have handled your request under the Freedom of Information Act 2000 (FOIA).

Your information request and our response are set out below.

“I would like to request data relating to confirmed avian flu cases in the U.K. from 2020 to present day. I would like to be able to note the classification of premises (commercial unit, wild birds, backyard keeper, etc) and the species and numbers affected.”

Please see Appendix 01 for the data requested.

APHA's definition of back-yard flocks (BYF) are as follows:

For outbreaks prior to 2024/2025 it was birds under 50 in number

In the 2024/2025 outbreak the definition has been update to the below:

**Small commercial premises** are any premises with 1,000 birds or less that:

1. rears or keeps birds in captivity for the production of any commercial products, or
2. for breeding birds for above purpose, includes birds used for restocking supplies of game, or for breeding for this purpose, until they are released from captivity.

Note that this definition includes household/backyard flocks that sell, barter or give away products.

**Non-commercial and pet premises** are non-commercial flocks:

1. producing only for own consumption (no selling, bartering or giving away of products), or
2. are pets/hobby birds (showing, racing, captive birds of prey), or
3. rearing and selling for these purposes.

Note that these non-commercial and pet premises usually had fewer than 50 birds, but there were a few such premises that had more than 50 birds.

Where recorded APHA have included the purpose (meat, breeders, breed for shooting etc). Where not available please refer to the above definitions. When the category of animal is not recorded by the vet/field teams will put “not required” as the default.

Please note that the number of birds reported to APHA vary compared to the numbers confirmed after the initial visit. APHA have provided the number reported. There will be a discrepancy between this, and the number of birds culled. This is due to:

- Not all birds will have been culled. Some will have been quarantined dependent on species.
- Some birds will have died without intervention, either from natural causes or from the disease.
- In more recent cases there may be birds awaiting culling.

Information disclosed in response to this FOI request is releasable to the public. In keeping with the spirit and effect of the FOIA and the government’s Transparency Agenda, this letter and the information disclosed to you may be placed on [GOV.UK](https://www.gov.uk), together with any related information that will provide a key to its wider context. No information identifying you will be placed on the GOV.UK website.

An Annex is attached which explains the copyright that applies to the information being released to you and contact details should you be unhappy with the service you have received.

If you have any queries about this letter, please contact the Access to Information Team at the email address below or postal address at the top of this letter.

Yours sincerely

### **Copyright**

The information supplied to you continues to be protected by copyright. You are free to use it for your own purposes, including for private study and non-commercial research, and for any other purpose authorised by an exception in current copyright law.

Documents (except photographs or logos) can also be used in the UK without requiring permission for the purposes of news reporting. Any other re-use, for example commercial publication, would require the permission of the copyright holder.

Most documents produced by APHA will be protected by Crown Copyright. Most Crown copyright information can be re-used under the [Open Government Licence](#). For information about the OGL and about re-using Crown Copyright information please see [The National Archives website](#).

Copyright in other documents may rest with a third party. For information about obtaining permission from a third party see the [Intellectual Property Office's website](#).

### **Complaints**

If you are unhappy with the service you have received in relation to your request, you may make a complaint or appeal against our decision under section 17(7) of the FOIA within 40 working days of the date of this letter. Please write to the Access to Information Team at the address at the top of this letter or email [enquiries@apha.gov.uk](mailto:enquiries@apha.gov.uk) and the team will arrange for an internal review of your case.

If you are not content with the outcome of the internal review, section 50 of the FOIA gives you the right to apply directly to the Information Commissioner's Office (ICO) for a decision. Please note that generally the ICO cannot make a decision unless you have first exhausted APHA's own complaints procedure.

The ICO can be contacted at:
