Product Description	An electric motorbike with wall plug and power supply.
Country of Origin	China
Counterfeit	Unknown
Risk Level	Serious
Risk Type	Fire
Risk Description	The product presents a serious risk of fire as there is no evidence to indicate that the bike, battery charger and battery have been manufactured to the required safety standards. The product has not been assessed using the relevant UK conformity assessment procedures and has no valid documentation. The charger is fitted with a 2-pin plug that does not feature a fuse to provide essential protection in the event of a fault. If a fault were to occur, the battery may explode, and a fire may start. No instruction manual was provided, and improvements are required to product marking and labelling. The product does not meet the requirements of the Supply of Machinery (Safety) Regulations 2008.
Corrective Measures	The import has been rejected at the border.
