Product Description	Range of doorstops and excluders.
Country of Origin	India
Counterfeit	No
Risk Level	Not provided
Risk Type	Health risk
Risk Description	The products present a risk to health as the marble chips sealed within the doorstops and excluders may be contaminated with a small quantity of asbestos. Asbestos is a banned substance because it poses a risk to health even at low levels of exposure. The products do not meet the requirements of the General Product Safety Regulations 2005.
Corrective Measures	The products have been recalled from end users by John Lewis and Partners. We recommend owners stop using the products immediately and keep them out of reach of children. Follow the below instructions for details on disposal and return of the products. For further information, please access: Product Recalls - John Lewis & Partners or contact John Lewis on 03456 049 049.
Online Marketplace	N/A
Notifier	Local Authority Trading Standards

Disposal instructions:

- Stop using the product immediately.
- If the product is undamaged, place in a heavy-duty plastic bag, double tape it securely, label it clearly and store in a secure location out of the reach of children.
- If the product is damaged and the filling is accessible, clean-up sites where the product was used using wet cloths to avoid generating dust. Wear gloves and a mask. Double bag the filling and product gloves, mask and cloths.
- Keep children and other people away from areas where the filling has been spilled until the area has been cleaned.
- Return the product to your nearest John Lewis store for a full refund. You do not need to provide the receipt.
- If you are unable to return the product to your nearest John Lewis store, follow the steps above and contact your local authority / access their website for guidance on safe disposal of asbestos in your area.
- For further information, please contact John Lewis or visit the [GOV.UK page on asbestos in consumer products](#).
