Advanced Learner Loans Provision Administration

22. Where the Service is continued from the 2025 to 2026 Funding Year, the Contractor must migrate data for continuing Learners from the 2025 to 2026 ILR to the 2026 to 2027 ILR. The Contractor must submit this data in the first ILR data return for 2026 to 2027, as set out in Appendix B – Migration Specification of the ILR specification 2026 to 2027.

23. The Contractor will submit Learner Data to the Department to comply with Clause 22 (Submission of Learner Data) of the Contract. The data will be accurate and based on evidence or base documentation and align with the data submitted to the SLC by the Contractor. Failure to submit records for less than 95% of Learners and their learning supported by Advanced Learner Loans at any time during the delivery of this Service will be a breach of contract.
24. The Contractor shall complete the Learner's qualification on or before the planned end date in the data submitted in the ILR. Where the Contractor misses this date, the Department may consider this a breach of contract.
25. Where required, the Contractor shall submit funding claims in line with Schedule 2B (Monitoring).
26. The Contractor will support the five stages of loans administration as set out in the Advanced Learner Loans Funding and performance management Rules.
- a. Stage 1 – Issuing the Learning and Funding Information Letter
 - b. Stage 2 – The Learner Application
 - c. Stage 3 – The Initial Liability Point
 - d. Stage 4 – In Learning
 - e. Stage 5 – Completion and Achievement
27. The Contractor must deliver the Advanced Learner Loans Provision set out in the SLC Service Agreement and the User Guide for the Learning Provider Portal. Failure to meet SLC's service requirements will be a breach of contract.
28. The Contractor must repay any funds paid in error by the SLC including where the Contractor has not informed the SLC that a Learner has withdrawn from or changed their qualification. The Contractor will repay within 30 days of being requested to do so by the SLC. The Department may recover any payments by offsetting against other Services funded by the Department. Failure to repay the funds will be a breach of contract.
29. The Contractor cannot exceed for any reason the Loans Facility and Loans Bursary contract allocations except by an agreed variation to this Contract.
30. The Contractor must inform the Department of any changes to their bank details. The Contractor must not use the new account until the account has been verified by the Department. ([Provide information about your banking and payments to DfE - GOV.UK](#))

The Department

31. The Department will set out the maximum amount that can be claimed from the SLC for the delivery of a qualification supported by a loan in the

Maximum Loan Amount Guidance.

32. The Department will pay for the Advanced Learner Loans Provision as set out in the Contractor's Funding Offer Letter.
33. The Department will pay for Exceptional Learning Support as set out in the Contractor's Funding Offer Letter.
34. The Department will supply the Contractor's verified bank details to the SLC to enable the SLC to pay for the delivery of the loans supported qualifications.
35. The Department will monitor the Advanced Learner Loans Provision as set out in Schedule 2B (Monitoring).

SCHEDULE 2B: MONITORING

ADVANCED LEARNER LOANS MONITORING (PAY ON ACTUALS)

Monitoring of ILR Submission

1. The Department will monitor and review the data submitted under Clause 22 (Submission of Learner Data) of the Contract as part of its assurance work in accordance with the requirements set out in “Financial Assurance: Monitoring post-16 funding for 2026 to 2027” at [Financial assurance: monitoring post-16 funding - GOV.UK](#).
2. The Department will publish monitoring reports via [View your education data](#). The Contractor must access the monitoring reports every month and amend any errors for the next submission by taking the actions specified in the report user guide.
3. If the Department notifies the Contractor that it has not complied with the reporting requirements set out in Paragraph 2 above, the Contractor must correct data or supply the Department with any evidence as requested by the Department within the period specified in the notice. This evidence can include digital copies of documents such as Learner files, commitment statements or employer declarations. Annotated spreadsheets or notes are not acceptable as evidence.
4. Failure to comply with the reporting requirements in Paragraphs 2 and 3 above will constitute a material breach of contract and the Department may, at its discretion, exercise its rights under Clause 38 (Withholding, Suspension and Repayment of Funding) and/or Clause 39 (Termination) of the Contract.
5. Where data is incorrect in the final data submission of the academic year the Department will recover the payments associated with the incorrect data.

Monitoring of SLC Data Submission

6. The Contractor’s submission of data to the SLC will be monitored against the service levels set out in the Contractor’s SLC Service Agreement. The Contractor must take any corrective action to correct submissions or service levels when requested to do so by the SLC.

Loans Facility and Loans Bursary Performance Management

7. The Department will review the performance of the Services as set out in the Advanced Learner Loans Funding and performance management Rules. Where the performance of the Service is below the published tolerances and thresholds, the Department will reduce the Contract Allocation in line with the Advanced Learner Loans Funding and performance management Rules.

8. At the performance management point set out in the Advanced Learner Loans Funding and performance management Rules, the Department may invite Contractors to submit requests for increases to its Funding. The Department will award growth in-line with the criteria set out in the Advanced Learner Loans Funding and performance management Rules.

Loans Facility Monitoring

9. It is not permitted to vire the Funding between the Loans Bursary and Loans Facility without an agreed variation in writing to this Contract (in accordance with Clause 48 (Amendments to this Contract) of the Contract).
10. The Loans Facility cannot be exceeded for any reason except by an agreed variation in writing to this Contract.
11. The Department will instruct the SLC to stop approving new Loans Facility applications and/or to stop making Loans Facility payments to the Contractor, and/or reclaim any Loans Facility payments made, where the Contractor exceeds its Loans Facility without agreement, breaches the Contract or goes into administration or liquidation.

Loans Bursary Reconciliation

12. The Department will restrict payment under this Contract against the Financial Year and Funding Year set out in the Contractor's Funding Offer Letter.
13. Where the delivery within a Financial Year fails to meet the delivery profile or where the delivery within a Financial Year would result in the overall Contract Allocation of Funding being exceeded, the Department reserves the right at its absolute discretion to vary the Contract accordingly to balance funding and delivery in the respective years by means of a variation (i.e. "paying for capping").
14. Reconciliation payments or recoveries may extend beyond the Contract Expiry Date.

SCHEDULE 3: PAYMENT

ADVANCED LEARNER LOANS PAYMENT (PAY ON ACTUALS)

Advanced Learner Loans Facility

1. The Loans Facility will be paid by the SLC as set out in the SLC Service Agreement. The Department will not pay for the Loans Facility.
2. The Contractor's Loans Facility is set out in the Contractor's Funding Offer Letter.

Advanced Learner Loans Bursary

3. The Contractor will submit ILR Learner data and the Earning Adjustment Statements monthly, as set out in Clause 22 (Submission of Learner Data) of the Contract.
4. Using validated ILR data, the Department will calculate the value of the Contractor's earnings for the Funding Year to-date by the method set out in the Advanced Learner Loans Funding and performance management Rules. The Department will pay any unpaid earnings where the cumulative earnings do not exceed the Funding Year or Financial Year allocations, as set out in the Contractor's Funding Offer Letter.
5. Under Item 5A to Group 6 of Schedule 9 of the VAT Act 1994, the supply of education or vocational training funded by the Department and the supply by the person providing that education or vocational training, of any goods or services essential to that provision, is considered to be an exempt supply for VAT purposes. The Department is generally unable to recover any Value Added Tax charged. The maximum Funding payable under this Contract, as set out in the Contractor's Funding Offer Letter is inclusive of all of the costs of the Service including, but not limited to, and any other VAT or taxes to be charged, where they apply.
6. The Department will pay the Contractor on the 16th Working Day of each month.

Adult Exceptional Learning Support

7. The Contractor must submit a planned claim for Exceptional Learning Support at the start of the Funding Year in line with the process and eligibility set out in the Advanced Learner Loans Funding and performance management Rules. The Contractor must not incur costs until the planned claim for support has been approved by the Department.
8. The Department will only fund planned claims agreed before the end of the Funding Year, 31st July 2027.
9. The Department will only pay final claims that meet the eligibility requirements in the Advanced Learner Loans Funding and performance

management Rules and are received by the Department before the claim deadline of October 2027 (refer to the latest Funding Claims Guidance for the final submission date).

10. The Department will pay final claims in December 2027.
