

EMPLOYMENT TRIBUNALS

Claimant: Julie Smith

Respondent: Kent Catholic Schools Partnership

JUDGMENT

The claim is struck out.

REASONS

On 24 January 2026 the Tribunal wrote to the claimant asking if, in light of the outcome of the Harpur Trust litigation, did they wish to pursue their claim or withdraw.

That letter was returned to the Tribunal office as the claimant is no longer at that address.

The claimant has not advised the Tribunal of any alternate correspondence address.

It appears therefore that the claimant is not actively pursuing their claim and it is struck out.
