Alert Number	2305-0102
Product Type	Electrical appliances and equipment - Battery
Product Identifiers	SKU ref 136 G883-X0011ZOWX Model: DC31B ASIN: B07VF8JJVK Please note this recall applies only to the specific Vanon lithium-ion battery models and product identifiers listed in this notification. Products currently available for sale through Eplusbatteries are not included within the affected product identifiers listed in this notification.
Product Description	Silver lithium-ion battery. You can identify whether your model is affected by looking at the sticker underneath the product.
Country of Origin	China
Counterfeit	No
Risk Level	High
Risk Type	Fire
Risk Description	The product presents a high risk of fire as the battery pack did not have an adequate Battery Management System (BMS) to protect the product from overcharging, overheating, and igniting. The battery packs also had an offload voltage greatly exceeding the voltage stated on the rating plate. The instructions provided did not contain adequate storage, disposal, and charging information. The product does not meet the requirements of the General Product Safety Regulations 2005.
Corrective Measures	The product has been recalled from end users. The affected products were removed from sale following the recall process and the recall notice remains available to support customers who purchased these affected products.
