

EMPLOYMENT TRIBUNALS

Claimant: Mr C Stroili

Respondent: M2 Construction Works Limited

JUDGMENT

The claim is struck out.

REASONS

1. The Tribunal wrote to the Claimant in October 2025 indicating that the Respondent had been dissolved and that for the Claim to proceed an Order was required from the High Court and that if no indication was made in 6 months that an Order had been obtained consideration would be given to striking out the Claim. This was because if there had been no action taken by the Claimant it would appear to the Tribunal, applying Rule 38 of the Employment Tribunal Procedure Rules 2024, that
 - The Claim had not been actively pursued.
2. The letter gave the claimant an opportunity and time to make the necessary application. The Claimant has not replied.
3. I am satisfied that the grounds for striking out the claim under Rule 38 apply, and that it would be in accordance with the overriding objective in Rule 3 to strike out the claim. This is because there is no evidence of the Claimant actively pursuing this Claim.
4. The claim is therefore struck out.
