RECTIFICATION AND MODIFICATION OF SCHEDULES

SCHEDULE XIX – UNITED KINGDOM

Addendum

The following communication, dated 6 May 2022, is being circulated at the request of the delegation of the United Kingdom.

The United Kingdom has had technical discussions with several WTO Members that raised questions and suggested rectifications to the draft version of Schedule XIX – United Kingdom, as circulated in documents G/MA/TAR/RS/570, G/MA/TAR/RS/570/Add.1 and G/MA/TAR/RS/570/Add.2¹. The Annexes² to this communication contain detailed lists of additional rectifications of a purely technical nature that have been identified as a result of these discussions as well as those changes arising from the rectifications to the draft version of Schedule CLXXV – European Union as detailed in documents G/MA/TAR/RS/506/Add.2 and G/MA/TAR/RS/506/Add.3³.

If no objection is notified to the Secretariat within three months from the date of this document, the rectifications and modifications to Schedule XIX – United Kingdom will be deemed to be approved and will be formally certified.

¹ This addendum is to be read in conjunction with and alongside the documents stated and previously circulated by the United Kingdom.

² In English only.

³ Footnote³ in document G/MA/TAR/RS/570-01 states "The information tabled in Schedule XIX-United Kingdom is subject to possible further changes, of a purely technical nature, which may be made to Schedule CLXXV-European Union (EU-28) in the process of its on-going certification."
