

Emerson Sempell GmbH Valve Fastener

Aspect	Details
Images	
PSD Number	2509-0175
Product Type	Fastener for Valve Assemblies – Nuts (Fixings/Fasteners)
Product Identifiers	Brand: Sempell For product identifiers, please see Annex A below.
Product Description	Plated fasteners for pressure valves and assemblies.
Country of Origin	Germany
Counterfeit	No
Risk Level	Serious
Risk Type	Injuries
Risk Description	<p>The product presents a serious risk of injury as the product specifications require that zinc-plating is used on the fasteners. Testing confirmed that cadmium-plating had been used during the manufacturing process. There is a risk that the incorrect plating on the fasteners can cause the bolt to fracture at temperatures exceeding 232°C which could result in process leakage, serious injury or property damage.</p> <p>The Fasteners do not comply with the Pressure Equipment (Safety) Regulations 2016 and the applicable standards, EN 10204-3.1 and EN 10204-3.2</p>
Corrective Measures	The product has been recalled by Sempell GmbH, who have contacted affected customers directly with a Safety Notice.
Online Marketplace	N/A
Notifier	Health and Safety Executive
