

EMPLOYMENT TRIBUNALS

Claimant: Malcolm Price

Respondent: 2 Excel Logistics Limited

JUDGMENT

The claim is struck out.

REASONS

1. The Tribunal wrote to the claimant on 13 March warning them that the Tribunal was considering striking out the claim. This was because it appeared to the Tribunal, applying Rule 38 of the Employment Tribunal Procedure Rules 2024, that
 - the claim had not been actively pursued;
2. The letter gave the claimant an opportunity to explain why the claim should not be struck out, or to request a hearing at which to do so. The claimant has not replied.
3. I am satisfied that the grounds for striking out the claim under Rule 38 apply, and that it would be in accordance with the overriding objective in Rule 3 to strike out the claim. This is because the claim had not been actively pursued.
4. The claim is therefore struck out.
