

Modified vehicle statement

V627/3

This form must be used when notifying DVLA of a structural modification, such as cutting into a vehicle's chassis (in the case of a vehicle with a separate chassis), monocoque bodyshell (in the case of a monocoque vehicle) or frame (for motorcycles) and changing a vehicle's appearance or dimensions from its original manufacturer's specification. For more information on structural modification, see **INF318**.

Section A – Modified vehicle

Please confirm if you have completed any of the below modifications (put **X** against all that apply).

- ☒ Lengthening, shortening, or widening of a vehicle's chassis, monocoque bodyshell or frame (for motorcycles), for example, to accommodate a different shape or style of bodyshell, or to resemble a different type of vehicle (specify in the box below)
- ☒ Cutting one or more roof pillars and lengthening or shortening them
- ☒ Removing the roof
- ☒ Removing an integrated roll cage, for example, which was incorporated into the roof pillars as part of a vehicle's original specification
- ☒ Modifying the design of load-bearing sub-frames or support members
- ☒ Removing load-bearing sub-frames or support members
- ☒ Making any additional holes within 30cm from any suspension, steering, braking, or seatbelt mounting point
- ☒ Motorcycle to tricycle modification (without the use of a kit or plans)
- ☒ Converted to electric propulsion
- ☒ Alterations to the firewall or transmission tunnel to accommodate a different bell housing or transmission (for monocoque vehicles only)

Go to **www.gov.uk/transport/vehicle-manufacturing-and-modification** for more information.

Details of modification

Please provide full details of any modifications made to the vehicle, including any details of a conversion to electric propulsion, in the box below:

You can continue on a separate sheet if required.

Section B – Supporting documents

The following documents must be provided (put **X** against all that apply).

- ☐ The completed 'Modified vehicle statement' (V627/3)
- ☐ The current V5C registration certificate (log book) for the vehicle
- ☐ Supporting evidence from an owner's club (if required)
- ☐ An MOT obtained following completion of the modification (only if the vehicle is over 40 years old) – it is recommended that all vehicles which have been structurally modified have an MOT for safety purposes
- ☐ A Motorcycle Single Vehicle Approval (MSVA) – for motorcycle to tricycle modification (where the tricycle attachment has been welded on)
- ☐ Photographic evidence of the changes made to the vehicle

Section C – Declaration

The details given above are believed to be correct to the best of my knowledge.
