| Risk Description    | <p>The products present a risk to health as the sand inside the bottles may be contaminated with a small quantity of asbestos. Asbestos is a banned substance because it poses a risk to health even at low levels of exposure.</p> <p>The products do not meet the requirements of the Toys (Safety) Regulations 2011.</p> |
| Corrective Measures | <p>The products have been recalled from end users by Amazon.</p> <p>We recommend owners stop using this product immediately and keep it out of the reach of children. Follow the below instructions for details on disposal and return of the product.</p>                                                                  |
| Online Marketplace  | Amazon – The listing has been removed by the online marketplace.                                                                                                                                                                                                                                                            |
| Notifier            | Local Authority Trading Standards                                                                                                                                                                                                                                                                                           |

### Disposal instructions:

- Stop using the product immediately.
- If the sand is still in its packaging, place in a heavy-duty plastic bag, double tape it securely, label it clearly and store in a secure location out of the reach of children.
- If the sand has been used, clean up sites where the product was used using wet cloths to avoid generating dust. Wear gloves and a mask. Double bag the sand, gloves, mask and cloths.
- Keep children and other people away from areas where the sand has been used until the area has been cleaned.
- Return the product to store where specified by the retailer for a full refund.
- If you are unable to return the product to the retailer, or the product was purchased via an online marketplace, follow the steps above and contact your local authority / access their website for guidance on safe disposal of asbestos in your area.
- For further information, please contact the retailer or visit the [GOV.UK page on asbestos in consumer products](https://www.gov.uk/guidance/asbestos-in-consumer-products).
