

Timms Review Shaping Recommendations Workshops: About you

Thank you for taking the time to complete this form.

This form is for you to express your interest in joining a workshop and to help ensure that the Review hears from people with a range of lived experience, expertise and diverse characteristics. The Review would like to hear from people who are based in the region where the workshop is held, and each participant will be limited to joining one workshop.

Where a particular characteristic is under-represented, applicants with that characteristic will be identified from the wider applicant pool and selected at random to fill any gaps. The information you share with us will help us to do this. You can choose not to answer some questions by selecting 'prefer not to say'.
