Product Description	An electric welding machine with attached wall plug and accessories.
Country of Origin	China
Counterfeit	Unknown
Risk Level	High
Risk Type	Electric shock
Risk Description	The product presents a high risk of electric shock because the mains plug did not meet the dimensional requirements of BS 1363. The pins were found to be inadequately sized and over time may become worn down and damaged. It was also found that consumers can access the live parts of the plug without the use of tools as the side panel could be opened. Improvements are also required to the products documentation, warnings and instructions. The product does not meet the requirements of the Electrical Equipment (Safety) Regulations 2016 or the Plugs and Sockets etc (Safety) Regulations 1994.
Corrective Measures	The import has been rejected at the border and destroyed.
