Risk Level	Not provided
Risk Type	Heath risk
Risk Description	The product presents a risk to health as the play sand may be contaminated with a small quantity of asbestos. Asbestos is a banned substance because it poses a risk to health even at low levels of exposure. The product does not meet the requirements of the Toys (Safety) Regulations 2011.
Corrective Measures	The product has been withdrawn from the market and recalled by Kiddo World. Affected consumers have been contacted directly. We recommend owners stop using the product immediately and keep it out of the reach of children. Follow the below instructions for details on disposal and return of the product. For more information, please contact Kiddo World via info@kiddo-world.com
Online Marketplace	N/A
Notifier	Office for Product Safety and Standards

Disposal Instructions:

- Stop using the product immediately.
- If the sand is still in its packaging, place in a heavy-duty plastic bag, double tape it securely, label it clearly and store in a secure location out of the reach of children.
- If the sand has been used, clean up sites where the product was used with wet cloths to avoid generating dust. Wear gloves and a mask. Double bag the sand, gloves, mask and cloths.
- Keep children and other people away from areas where the sand has been used until the area has been cleaned.
- Follow the instructions provided by Kiddo World for return and refund of affected products.
- If you are concerned that you own an affected product and have not been contacted, please contact Kiddo World via info@kiddo-world.com
- For further information, please contact Kiddo World or visit the [GOV.UK page on asbestos in consumer products](#).
