Reference should be made to the note within the last two AR21s submitted. For the relevant time period, 1st January 2025 to 31st December 2025, the Union has continued to pay the General Secretary without doing so through PAYE. A declaration was made to HMRC in order to pay the tax/Ni/ENIC and at the time period of the audit, this matter was with HMRC. Payment on account was made in August 2025 (£5068.56) with respect to the estimated Tax & NI owed at the time. During this specific period, the General Secretary's pay is set nominally at £30 000 per annum. However, the Union has not been able to pay the General Secretary what is owed and has paid the GS only £18 850 NET. The liability is calculated based on the pay that is outstanding to the GS plus the total estimated Tax, National insurance and Employer national insurance that is owed on the full amount. It is understood that when the debt is paid there will be variance on this estimate.

Checklist for auditor's report

(see notes 90 and 96)

The checklist below is for guidance. A report is still required either set out overleaf or by way of an attached auditor's report that covers the 1992 Act requirements.

1. In the opinion of the auditors or auditor do the accounts they have audited and which are contained in this return give a true and fair view of the matters to which they related? (See section 36(1) and (2) of the 1992 Act and notes 92 and 93)

Please explain in your report overleaf or attached.

2. Are the auditors or auditor of the opinion that the union has complied with section 28 of the 1992 Act and has:

- a. kept proper accounting records with respect to its transactions and its assets and liabilities; and
- b. established and maintained a satisfactory system of control of its accounting records, its cash holding and all its receipts and remittances. (See section 36(4) of the 1992 Act set out in note 92)

Please explain in your report overleaf or attached

3. Your auditors or auditor must include in their report the following wording:

In our opinion the financial statements:

- **give a true and fair view of the matters to which they relate to.**
- **have been prepared in accordance with the requirements of the sections 28, 32 and 36 of the Trade Union and Labour Relations (consolidation) Act 1992.**

Auditor's report (continued)

In my opinion the financial statements do not give a true and fair view of the matters to which they relate and they have not been prepared in accordance with the requirements of sections 28, 32 and 36 of the Trade Union and Labour Relations (consolidation) Act 1992. The salary costs included within the expenditure represent amounts physically paid to the General Secretary and there is not any evidence that these have been administered via a formal payroll scheme. There are estimates of paye and national insurance included within the balance sheet and an amount has been paid to the General Secretary who in turn paid this to HMRC which is highly irregular.
