6. Claims made / claims occurring

Cover under the **RPA** generally operates on a 'claims occurring' basis'; as long as the incident giving rise to a **Claim** occurs during the **Membership Year** then **RPA** will respond, even if the **Claim** is notified outside of the **Membership Year**.

Sections 5 Governors Liability 6 Professional Indemnity and 14 Cyber operate on a 'claims made' basis. For **RPA** to respond the **Claim** must be notified to the **Third Party Administrator** during the **Membership Year**.

This mirrors the cover generally provided by the commercial insurance market and avoids potential gaps in cover for **Members** joining the **RPA**, in circumstances where a **Claim** arises from an incident that occurred prior to the **Member** joining the **RPA** and of which they were previously unaware.

It is important that when moving from a commercial insurer to the **RPA** that a **Member** provides notification to their insurer of any incident that they are aware of, that could give rise to a claim, before their policy of insurance expires.

The **RPA** will consider providing an indemnity to a **Member** for claims that are normally dealt with on a 'claims occurring' basis under **RPA** (namely sections 1, 2, 3, 4, 7, 8, 9, 10, 11, 12 and 13) but where a **Member** has previously purchased an insurance policy covering the risks covered by these sections of the **RPA** on a 'claims made' basis.

Claims will be considered at the request of the **Member** who will be required to provide evidence of the insurance cover previously purchased. **Claims** will not be considered in the following circumstances:

- i) where the applicable 'claims made' policy was taken out or inception after the date the consultation exercise on proposed changes to the **RPA** with effect from September 2016 was commenced (18 December 2015);
- ii) for any claim where the cause of such claim occurred or was alleged to have occurred prior to the date of the signing of the funding agreement for the relevant academy;
- iii) for claims that the **Member** had prior knowledge of before the **Member** opted to join the **RPA**;
- iv) for claims or incidents that the **Member** was aware of but were not notified by the **Member** to the relevant insurer before the relevant policy of insurance expiry date (or where a discovery period applies to a policy of insurance, the discovery period);

- v) for **Claims** related to a class of insurance where the **Member** had opted not to purchase a policy of insurance.

7. Multi Academy Trusts

Multi Academy Trusts (MATs) are permitted to join the **RPA** in a phased manner where some academies in the MAT still have commercial insurance contracts in place. For cover to apply to the central infrastructure of the MAT or a **Subsidiary Company** of the MAT there must be a commitment from the MAT that all academies in the MAT will join the **RPA** as soon as their existing insurance arrangements expire.

MATs with a **PFI Academy** need not make such a commitment in respect of the **PFI Academy** where the terms of the PFI require the academy to take part in the PFI contractor's insurance arrangements. All other academies in the MAT that are not **PFI Academies** must join the **RPA** or join as soon as their existing insurance arrangements expire for cover to apply to the central infrastructure of the MAT or a **Subsidiary Company** of the MAT.

Where applicable **RPA** cover will apply to the central infrastructure of the MAT with effect from the date the first academy in the MAT joins **RPA** and subject to there not being an insurance contract in place covering the MAT central infrastructure.

RPA cover for a **Subsidiary Company** of a MAT will only apply to the extent the **Subsidiary Company's** activities are related to the **Business** of the MAT and the **RPA Administrator** has expressly agreed to provide an indemnity under the **RPA** for the **Subsidiary Company's** activity or **Property**. Where applicable cover can apply to the **Subsidiary Company** of the MAT with effect from the date the first academy in the MAT joins **RPA** and subject to there not being an insurance contract in place covering the MAT **Subsidiary Company**.

Claims Guidelines

General

The following Claims Guidelines shall apply to all Sections inclusive unless stated otherwise. The claims process will be administered by the **Third Party Administrator**.

Action by the Member

1. Claims intake

Claims will be accepted by the **Third Party Administrator** regardless of the method used to notify the claim.

- i) Dedicated **Third Party Administrator** portal

An online portal is available for **Members** to notify claims directly to the **Third Party Administrator**.

www.rpaclaimforms.co.uk

Members will receive instructions for access and use upon joining the **RPA** and will be required to log in with required information.

Members are encouraged to utilise the dedicated **Third Party Administrator** portal to notify claims in keeping with the “digital by default” ethos.

The aim of the dedicated **Third Party Administrator** portal is to ensure quick notification and to provide for easy transmission of documentation and contact particulars which will assist the **Third Party Administrator** to manage claim costs and risk for all **Members**.

- ii) Post, email and telephone

Claims can also be sent to the **Third Party Administrator** by post, email or telephone:

TopMark Claims Management Ltd
Davies Group
2nd Floor, The Forsyth Building
5 Renfield Street
Glasgow G2 5EX

Email: RPA.CM@davies-group.com

Telephone: 03300 585 566

iii) The Claims Portal

There is another route by which third parties can make low value personal injury claims directly. This is through a mechanism called “The Claims Portal” which exists outside the **RPA**. It is important that claims notified through this mechanism are identified early by the **Third Party Administrator** to contain cost.

The **Third Party Administrator** will administer The Claims Portal as it relates to the **RPA** and **Members** are encouraged to highlight through their website appropriate messaging for third party claimants who elect to notify claims in this way.

The following messaging is suggested.

“We operate under the Risk Protection Arrangement (RPA) administered by the DfE; eligible claims can be sent using portal ID D00073. The compensator should be marked as “Department for Education – RPA only”.

2. Co-operation

Members should provide all reasonable levels of co-operation with the **Third Party Administrator** in such areas as but not limited to the provision of information and documentation, access for investigation, and support for litigation. The aim is to contain claim cost for all **Members**.

Where the **Third Party Administrator** deems that they are not receiving a reasonable level of cooperation they will endeavour to resolve this in the first instance with the **Member**.

In the event that the situation is unresolved the **Third Party Administrator** is bound to report this to the **RPA Administrator** who will consider whether there has been a breach of the **Rules**.

The **Third Party Administrator** will take all reasonable steps to engage with and assist **Members**.

3. Notification of Claims

In the event of an occurrence that may give rise to a claim or legal proceeding under the **RPA** the **Member** shall:

- i) as soon as reasonably practicable notify the **Third Party Administrator** of such occurrence and provide details and information as the **Third Party Administrator** requests;

For the avoidance of doubt for occurrences that may give rise to a claim or legal proceedings under Sections 3, 4, 5 and 6, the **Member** must comply with the Claims Notification Condition, applicable to each Section;

In relation to **Unoccupied Buildings** provide written notice of any incident likely to give rise to a **Claim** as soon as possible, and in any event no longer than 30 days after the event.

In relation to other **Claims** that fall under Sections 1, 1A, 2 and 13 use reasonable endeavours to provide written notice of any incident likely to give rise to a **Claim** within 30 days of the event.

 - c) notify the police in respect of **Damage** caused by theft, attempted theft, malicious persons or suspected acts of fraud or dishonesty; and
 - d) not dispose of or tamper with or allow anyone else to tamper with anything connected therewith including the preservation of any damaged or defective property for examination by the **RPA Administrator's** representatives unless the **RPA Administrator** has authorised in writing the **Member** to dispose of such property; and
- iii) promptly take at their own expense, all reasonable steps to prevent other personal injury or property damage arising out of the same conditions, but such expense shall not be recoverable under the **RPA** unless specifically provided for.

4. Travel Cancellation Claims

In the event of a valid cancellation claim, **Members** must return to the relevant venues, tour operators, booking agents and / or airlines in the first instance to see if the **Member** can defer the trip to a later date.

To support the deferment the **RPA Administrator** confirms that cover will remain in place for the deferred date and that if any pupils currently booked on the trip would not be on roll at the deferred trip date, cover for those individuals would also remain in place. This is subject to the **Member** being a **Member** at the point of travel.

If the tour operator agrees to a deferment:

1. For any pupils from the current travel cohort not able to travel on the deferred date the **Member** may submit a claim now (for those unable to travel only).
2. The **Member** must attempt to fill those vacated places for the new deferred date.
3. In filling any vacated places the cancellation fees recouped must be returned to the **RPA Administrator** at a future date.

The **RPA Administrator** cannot accept any additional charges incurred in deferring.

If the tour operator refuses deferment:

The **RPA Administrator** will consider these cancellation claim requests on a case by case basis whilst taking into account central Department for Education travel advice for schools.

Prior to making a cancellation claim **Members** must return to the relevant venues; tour operators; booking agents; credit card companies in the first instance to establish if the **Member** can recover any monies back direct from them initially. **Members** must evidence this action when submitting travel cancellation claim(s) as per the **RPA** welcome pack.

Approval must be provided by the Department of Education, not the **RPA Administrator** or **Third Party Administrator**.

The **Third Party Administrator** is responsible for taking receipt of all claims notifications from individual **Members** in the first instance. If legal representation is required, this will be managed through the **Third Party Administrator**.

In the event that a claim is deemed not to be covered by the **Rules**, then it will be referred to the **RPA Administrator** for a decision on whether the claim is covered.

The **Third Party Administrator** will reserve the position with the **Member** at the point of referral.

The decision of the **RPA Administrator** will be communicated to the **Member** by the **Third Party Administrator** within 15 working days of referral to the **Third Party Administrator** by the **Member**.

Members may request a review of the **RPA Administrator's** decision. If they wish to pursue this option, then this should be put in writing via the **Third Party Administrator** detailing the basis of the request for review.

The **Third Party Administrator** will notify the **RPA** contract manager who will refer the matter to an independent senior civil servant for review.

If the dispute remains unresolved between the **Member** and the **RPA Administrator** the matter will be referred to a single arbitrator to be appointed by agreement between the parties or in default of agreement upon the application of either party to the President of the Chartered Institute of Arbitrators. The seat of the arbitration shall be England. The arbitration shall be governed by both the Arbitration Act 1996 and **Rules** as agreed between the parties.

4. Complaints

In the event of a complaint by a **Member** about the **Third Party Administrators** handling of a claim this is to be put in writing at first instance to the **Third Party Administrator**.

The **Third Party Administrator** will acknowledge receipt of the complaint within two (2) working days.

The acknowledgement will identify the person dealing with the complaint, or advise to whom the complaint should be redirected, and advise the person making the complaint when they can expect to receive a response.

The **Third Party Administrator** will maintain a log of such complaints for the **RPA Administrator**.

The **Third Party Administrator** will respond formally to any such complaint within fifteen (15) days of receipt.

If there is any reason why these timescales cannot be met, this will be communicated to the complainant.

The response will outline the findings and any action taken, for example, that an investigation has been carried out.

Where a complaint remains unresolved at **Third Party Administrator** branch management level, on written request of the **Member** it will be escalated to the Managing Director of the **Third Party Administrator** in the final instance for review.

The **Third Party Administrator** will acknowledge the escalation to the **Member** within 5 working days and a final written response will be delivered within 10 working days from the request for a review.

If the **Member** is not happy with the response to its complaint from the **Third Party Administrator**, it should forward details in writing to the **RPA Administrator**.

5. Fraud

If a claim is fraudulent in any respect or if fraudulent means are used by the **Member** or by anyone acting on behalf of the **Member** to obtain any benefit under the **RPA** or if any loss or destruction of or damage be occasioned by the wilful act or with the connivance of the **Member** all benefit under this **RPA** shall be forfeited.

The **Third Party Administrator** will notify the **RPA Administrator** in any case where fraud is suspected and will act pursuant to the instructions of the **RPA Administrator**.

6. RPA Administrator's Rights Following a Claim

On the happening of loss or damage in respect of which a claim is made the **RPA Administrator** and any person authorised by the **RPA Administrator** may without thereby incurring any liability or diminishing any of the **RPA Administrator's** rights under the **RPA** enter take or keep possession of the premises where such loss or damage has occurred and take possession of or require to be delivered to the **RPA Administrator** any property and deal with such property for all reasonable purposes and in any reasonable manner. No property may be abandoned to the **RPA Administrator** whether taken possession of by the **RPA Administrator** or not.

Any **Member** making a claim under the **RPA** shall, at the request and expense of the **RPA Administrator**, take all reasonable and necessary steps and give assistance as directed by the **RPA Administrator** (such as collating relevant evidential material and
