

Statement to members for the period ended 31 December 2025
as required by section 32a of trade union and labour relations
consolidation) act 1992

Income and Expenditure

The total income for the union for the period was £17,368,509. This amount included receipts of £12,597,754 in respect of membership income to the union. The union's total expenditure for the period was £14,063,644.

Political Fund

In respect of the union's political fund, its total income was £267,228 and total expenditure was £89,998.

General Secretary Salary and Other benefits

The General Secretary of the union was paid £94,647 in respect of salary and £26,846 in respect of benefits.

Irregularity statement

A member who is concerned that some irregularity may be occurring, or have occurred, in the conduct of the financial affairs of the union may take steps with a view to investigating further, obtaining clarification and, if necessary, securing regularisation of that conduct.

The member may raise any such concern with such one or more of the following as it seems appropriate to raise it with: the officials of the union, the trustees of the property of the union, the auditor or auditors of the union, the Certification Officer (who is an independent officer appointed by the Secretary of State) and the police.

Where a member believes that the financial affairs of the union have been or are being conducted in breach of the law or in breach of the rules of the union and contemplates bringing civil proceedings against the union or responsible officials or trustees, he should consider obtaining independent legal advice.

Independent Auditor's Report to Members of The Fire Brigades Union

Opinion:

We have audited the financial statements of the Fire Brigades Union for the year ended 31 December 2025 which comprise the Statement of Comprehensive Income, the Statement of Financial Position, the Statement of Changes in Equity, the Statement of Cash Flows and the related notes, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' (United Kingdom Generally Accepted Accounting Practice).

In our opinion, the financial statements:

- give a true and fair view of the state of the Union's affairs as at 31 December 2025 and of its surplus for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice.

Basis for opinion:

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the Union in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern:

In auditing the financial statements, we have concluded that the Executive Council's use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the Union's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the Executive Council with respect to going concern are described in the relevant sections of this report.

Other information:

The Executive Council are responsible for the other information. The other information comprises the information included in the Annual Report, other than the financial statements and our Auditors' report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Matters on which we are required to report by exception:

Arising solely from the limitation on the scope of our work relating to the valuation of investment property referred to above, we have not received all the information and explanations we require for our audit.

We have nothing to report in respect of the following matters in relation to which the regulations require us to report to you if, in our opinion:

- proper accounting records have not been maintained by the Union; or
- a satisfactory system of financial control has not been maintained by Union; or
- the Union's financial statements are not in agreement with the accounting records and returns.

Respective responsibilities of the Union's Executive Council and auditors:

As described on page 94 the Executive Council are responsible for the preparation of financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) and for being satisfied that they give a true and fair view. Our responsibility is to audit the financial statements in accordance with relevant legal and regulatory requirements and International Standards on Auditing (UK). Those standards require us to comply with the Financial Reporting Council's Ethical Standard for Auditors.

Auditor's responsibilities for the audit of the financial statements:

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

Based on our understanding of the Union and the environment in which it operates, we identified that the principal risks of non-compliance with laws and regulations related to Trade Union legislation, data protection regulations and employment law, and we considered the extent to which non-compliance might have a material effect on the financial statements. We also considered those laws and regulations that have a direct impact on the preparation of the financial statements such as the Trade Union and Labour Relations (Consolidation) Act 1992 and corporation tax regulations.

We evaluated management's incentives and opportunities for fraudulent manipulation of the financial statements (including the risk of override of controls) and determined **that** the principal risks were related to inappropriate journal entries in respect of revenue recognition. Audit procedures performed by the engagement team included:

- Inspecting correspondence with regulators and tax authorities;

- Discussions with management including consideration of known or suspected instances of non-compliance with laws and regulation and fraud;
- Evaluating management's controls designed to prevent and detect irregularities;
- Identifying and testing journals, in particular journal entries with unusual descriptions; and
- Challenging assumptions and judgements made by management in their critical accounting estimates.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.

Use of our report:

This report is made solely to the members of the Union, as a body, in accordance with the Trade Union and Labour Relations (Consolidation) Act 1992 (amended). Our audit work has been undertaken so that we might state to the members of the Union those matters we are required to state to them in an independent auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Union and the members of the Union as a body, for our audit work, for this report, or for the opinion we have formed.
