REASONS FOR THE DECISION

Background

1. On 10 February 2026, the Landlord served a notice under Section 13(2) of the Housing Act 1988 which proposed a new rent of £966.00 per calendar month(pcm) in place of the existing rent of £895.00 pcm to take effect from 04 April 2026.
2. On 03 April 2026, under Section 13(4)(a) of the Housing Act 1988, the Tenant referred the Landlord's notice proposing a new rent to the Tribunal for determination of a market rent.
3. The assured tenancy commenced on 04 December 2024. The rental period is monthly.

Allocation of Repairs between Landlord and Tenant.

4. As per section 11 of the Landlord and Tenant Act 1985.

Services Charges or furniture provided by Landlord (other than carpets and curtain and white goods specified below) and the costs relating to the same.

5. None

Liability for Council Tax

6. The Tenant is responsible for the payment of Council Tax in respect of the Property. The rent determined is exclusive of Council Tax.

Any other terms of the tenancy taken into consideration in determining the rent.

7. None

Inspection/Hearing

8. Neither party requested an oral hearing. The Tribunal has considered this case on the basis of the papers provided by the parties and its own knowledge and specialist expertise.

The Property

9. The Property is a first floor flat forming part of a modern two storey development, offering the following accommodation:

Hall, living room, kitchen, two bedrooms, and bathroom with full suite including shower.

Outside: Garden.

The Property benefits from gas central heating.

The Property is situated in the Denton area of Manchester within close proximity of amenities. Manchester City Centre is approximately 6 ½ miles to the west.

Evidence

10. Only the Tenant returned the Tribunal's Reply forms.

The Tenant.

11. The Tenant made the following comments:

- a) The rent increase proposed would bring the rent into line with those for two bedroom terraced houses. This is a flat.
- b) There are issues with the boiler being old and unreliable, and an external leak on the water main which is increasing the water bill.

12. In terms of rental evidence, the Tenant had provided details for a number of properties in the local area currently on the market. These included terraced houses to illustrate the point at 11 (a) above. The following comparable for flats was provided:

- a) Two Trees Lane, Denton. Two bedroom flat. Advertised at £875 pcm.

The Landlord

13. The Landlord did not provide any Reply forms and provided no evidence. They did submit a Withdrawal Application on the basis that the Tenant had started paying the new proposed rent. However, there was no agreement from the Tenant to withdraw the application.

Determination and Valuation

14. The Tribunal considers the comparable provided by the Tenant is relevant to this matter but limited given that it is only one comparable and limited information on it was provided.
15. That the Tenant has started paying the proposed rent does not indicate acceptance of the proposed rent or prevent the Tribunal from determining a new rent. Therefore, the Tribunal has jurisdiction to determine this application.
16. Relying on its own expert, general knowledge of rental values in the area, and the comparable provided by the Tenant, the Tribunal considers that the market rental of similar properties in the area is in the region of £850 to £950 pcm. By virtue of its location, size and amenities, the Tribunal considers that the subject Property modernised and in good order would fall towards the middle of this bracket and considers the market rent would be in the order of £900.00 pcm. This is the rent we would expect the property to let for in the open market if it was in the same general condition as the comparable properties including having white goods and curtains provided by the landlord.
17. No evidence was provided to indicate that any departure from this figure was necessary.

Market rent

£900.00 pcm

Undue hardship

12. The new rent takes effect from the date specified in the Landlord's Notice of Increase unless that would cause undue hardship to the tenant. In cases of undue hardship, the Tribunal has a discretion to fix a later starting date up to the date a Tribunal makes its determination.

13. The Tenant has asked the Tribunal to fix a later starting date in this case. They stated that the increase would make everyday living more difficult but provided no evidence to support this.
14. The Landlord did not respond to the Tenant's application for postponement due to hardship.
15. As a result of our decision the rent will increase by £5 a month. This is a small increase to the previous rent. No evidence has been provided to substantiate the claim of undue hardship. Therefore, the Tribunal does not consider hardship will be caused. The date in the Landlord's Notice stands.

Decision

16. Therefore, the Tribunal determines the market rent at £900.00 per calendar month with effect from 04 April 2026.
