

EMPLOYMENT TRIBUNALS

Claimant: Mr Z Reed

Respondent: Boxbar Tech Limited

JUDGMENT

The claim is struck out.

REASONS

1. By a letter dated 11 November 2025 the Tribunal gave the claimant an opportunity to make representations as to why the claim should not be struck out. It appeared the Tribunal did not have jurisdiction to hear the complaint of unfair dismissal because the claimant had less than two years' service and the other complaints identified appeared to be ones for which the Employment Tribunal does not have jurisdiction.
2. The claimant made representations dated 11 November 2025 in writing, but those representations did not address the issues of length of service or the Tribunal's jurisdiction. The complaints identified in the claimant's representations do not appear to be ones for which the Employment Tribunal has jurisdiction. The claim is therefore struck out.
