Images	
PSD Number	2608-0083
Product Type	Machinery – Potato Harvester
Product Identifiers	Brand: Dewulf N.V. Model: R3060, including RS, RA, RCS, RCE models, 2006 onwards
Product Description	2-Row Self Propelled Potato Harvester with Bunker.
Country of Origin	Belgium
Counterfeit	No
Risk Level	Medium
Risk Type	Injuries
Risk Description	<p>The product presents a risk of injuries if operated on slopes exceeding 10% (5.7°) due to risk of overturn.</p> <p>The instructions for the product issued before 2025 do not meet the requirements of the Supply of Machinery (Safety) Regulations 2008 because they do not specify limits of slopes on which the machine can work.</p>
Corrective Measures	<p>The manufacturer has provided dealers in Great Britain with a supplementary annex to the user instructions for distribution to customers. Dealers are to contact their customers and draw their attention to the instruction not to operate the R3060 on fields with a slope greater than 10% (5.7°).</p> <p>Customers who have not received this information should contact their dealer.</p>
