Instructions for Use

Flight Servicing Reference Form - MOD Format 705(C17A)(Sup)

Flight Servicing is carried out IAW USAF Tech Orders. To facilitate the division of composite elements into Tradesperson A, Tradesperson B and Tradesperson C, this form details the responsibilities allocated to each individual.

1. This form is used to detail the relevant Tech Order References, Work Card numbers and Change States for Tradesperson A, Tradesperson B and Tradesperson C undertaking CPPF, Preflight, Thruflight and Quick Turn-Around servicings.
2. MOD Format 705(C17A)(Sup) is to be inserted into, and removed from, the MOD Form 700C in accordance with the instructions for controlled forms on MOD Form 799/1. Sheet numbers in the series 001 to 999 are to be used.
3. A new MOD Format 705(C17A)(Sup) is to have the following information entered:
 - a. Aircraft Serial No.
 - b. Sheet No.
 - c. IETMS Publish Date.
 - d. The appropriate Work Card numbers for Tradesperson A, Tradesperson B and Tradesperson C for CPPF, Preflight and Thruflight when an amendment to IETMS is issued, the Work Card numbers are to be checked to ensure they are allocated appropriately to Tradesperson A (Inside), Tradesperson B (Outside) or Tradesperson C (Gears) and any changes are to be entered in red on a new MOD Format 705(C17A)(Sup).
5. When an amendment to IETMS is issued, the Date is to be entered in red on a new MOD Format 705(C17A)(Sup).
