

Vestel UK Plugs in Various Televisions	
Aspect	Details
Images	
PSD Number	2606-0078
Product Type	Electrical appliances and equipment – Plugs
Product Identifiers	For a full list of affected product serial numbers and retailers, please see Annex A. The serial number is printed on the rating plate sticker, located on the reverse of the television. If the reverse cannot be accessed, check the plug instead. If the wording YR-308 is present on the plug as shown above, the product is affected.
Product Description	Vestel UK-branded plugs fitted to various brands of television sold between November 2024 and February 2026.
Country of Origin	Turkey
Counterfeit	No
Risk Level	Low
Risk Type	Fire
Risk Description	The product presents a risk of fire as the plug fuse does not meet the dimensional requirements of BS 1362. A compliant, correctly rated fuse is required to ensure the safe operation of the product under fault conditions. Should a fault occur, the plug may overheat and catch fire. The product does not meet the requirements of the Electrical Equipment (Safety) Regulations 2016 or the Plugs & Sockets etc (Safety) Regulations 1994.
Corrective Measures	Consumers should check whether their product is affected and request a free replacement accessory (replacement power cable or fuse) by visiting: Television Safety Notice . When registering your TV, enter the first 8 digits of the serial number if it starts with a 2, or the first 7 digits if it starts with a 9.
