PSD Number	2608-0025
Product Type	Electrical appliances and equipment – Electric Vehicle Charging Point
Product Identifiers	Brand: Wallbox Model: PLP2-0-2-2-F-xxx (for location of model number, please see image above) Additional Identifier: Units mounted with part number 08 911 02* EV-gun
Product Description	Wall-mounted electric vehicle charging station with mode 3 charging and PEN fault detection.
Country of Origin	Spain
Counterfeit	No
Risk Level	Low
Risk Type	Fire
Risk Description	The product presents a low risk of fire due to a manufacturing defect which affects the internal output terminal block. This defect may cause internal electrical connections to overheat during use, and may also reduce the lifespan of the charger.
Corrective Measures	Wallbox SLU and Wallbox UK Limited have contacted owners of affected products directly. A software update will be issued and affected chargers will be inspected, with repairs or replacement parts provided where necessary. For further information, contact Wallbox Customer Support.
